CURRICULUM

J. SIBRIGON DID

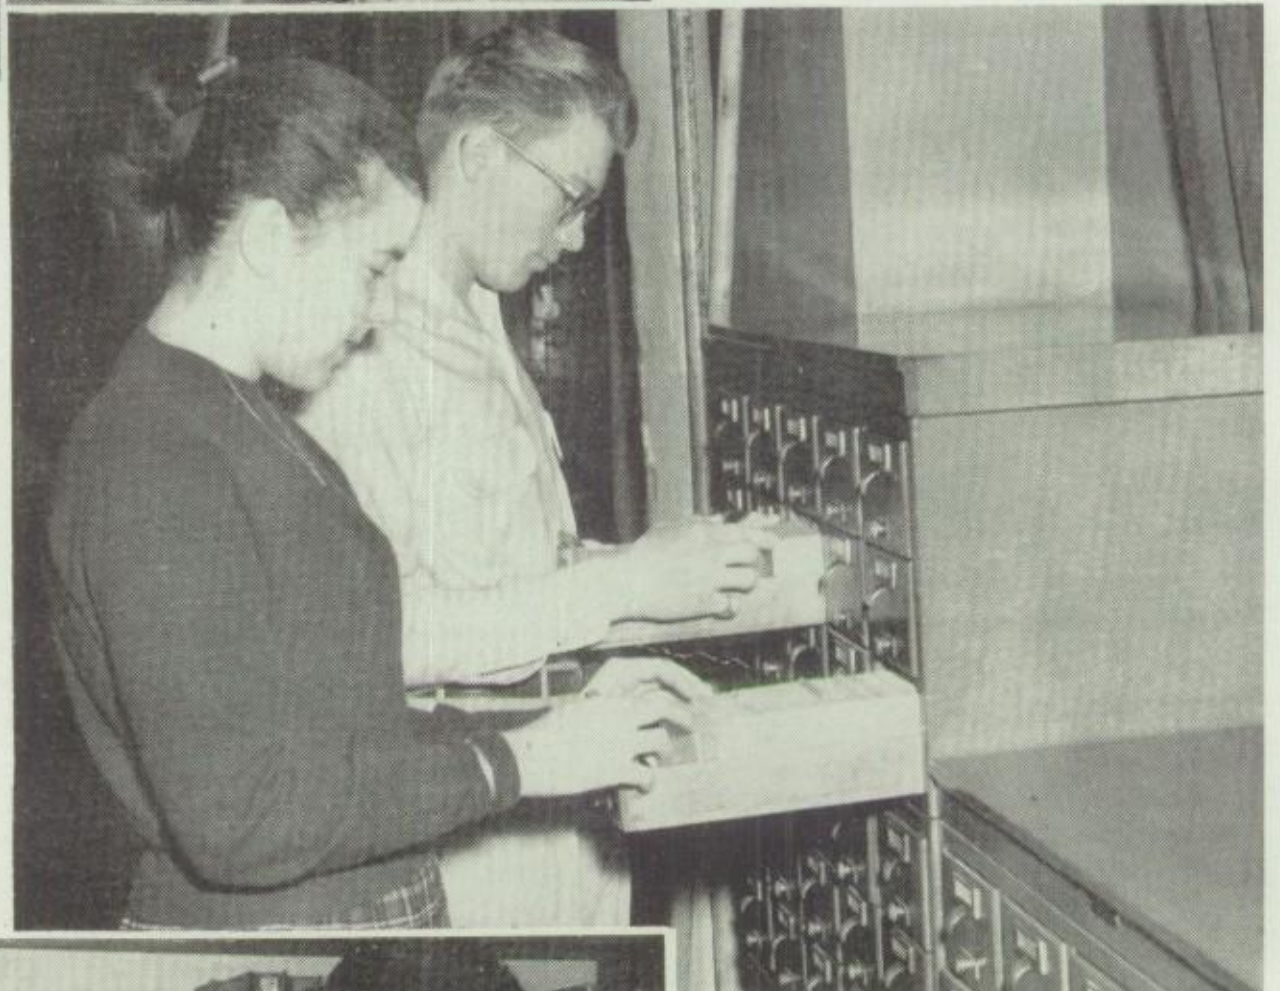

An opportunity to increase knowledge in any field is offered to all who will take advantage of it. College preparation and general education is the aim of the curriculum at Shorewood.

THE LIBRARY

Miss Mary Shemorry, our librarian, is assisted in her duties by Mrs. Valerie Meyer. Under their helpful guidance students have no trouble in locating the materials or information which they need.

All students should be familiar with the use of the card catalogue because the study of it is taught in all freshmen English classes.

The library with its abundance of material contains 13,497 books and 19,746 supplementary texts which are checked out to individual classes from a basement storeroom. The library subscribes to seventy-eight magazines and four newspapers. Books range from encyclopedias and technical references to classics and best sellers.

ENGLISH

Poetry, drama, the essay, and grammar are the units of senior English, which is offered as an elective in both semesters of the senior year. Ripples and Speech are alternate courses of this class.

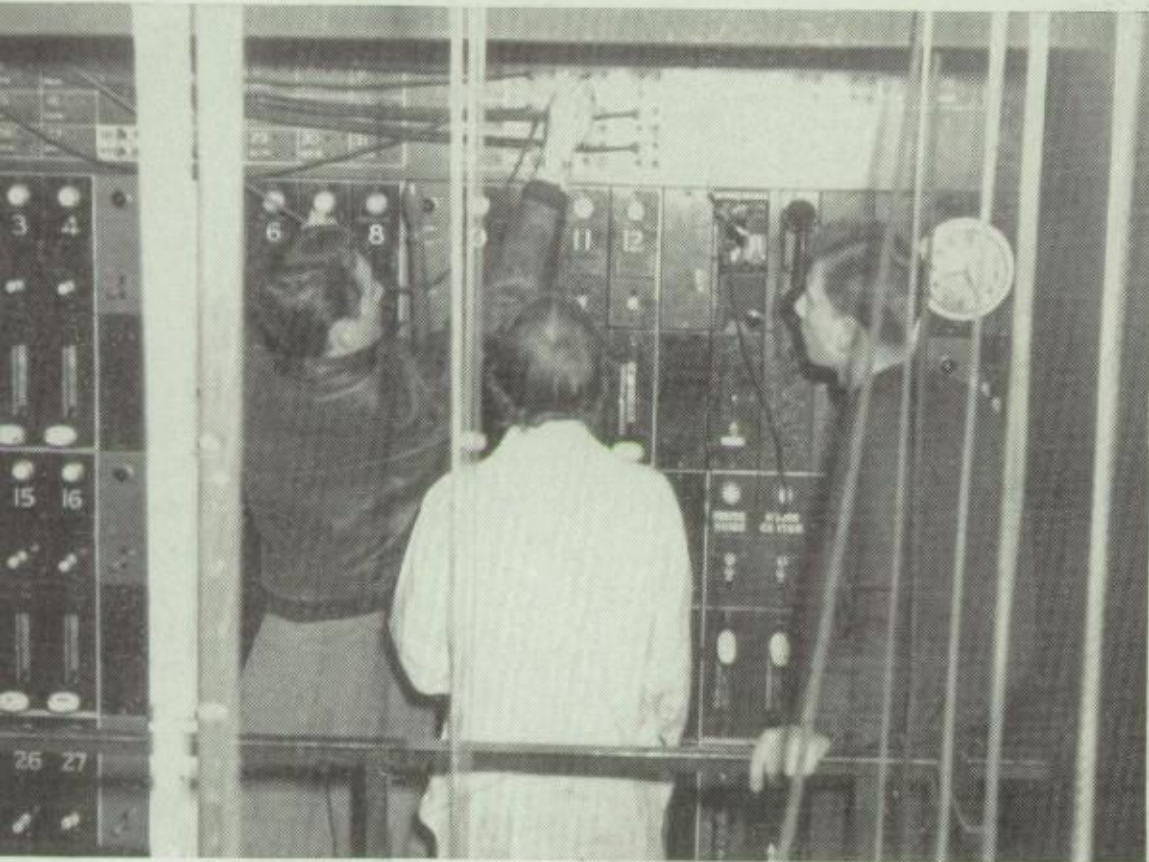

The sophomore English course consists of four units, which include communications, the essay, speech, and Shakespeare. The plays, Julius Caesar and The Merchant of Venice, are studied through the use of phonograph records.

Students who desire to express their ideas on paper are given this opportunity in creative writing, which is offered to freshmen and juniors. Twice a year the members of this class publish the "Gleam", a supplement sheet of the Ripples.

SPEECH

In the speech department students are given an opportunity to express themselves in all phases of writing and speaking. The members of the productions class learn and execute various aspects of stage production and management.

Writing scripts and directing the assemblies is the responsibility of the Assembly Training class. One of the most popular programs thus planned is the annual volunteer assembly which draws talent from the entire student body. As the climax of the course each student presents a lecture recital.

LANGUAGES

If we are to be leaders in our world today we must understand the government, history, and language of other countries, so our language department, under the supervision of Miss Chevillon, offers four years of French and German.

Four years of Latin and Spanish are also offered. All of these languages are advantageous for college preparation and are necessary in many occupations and professions, such as medicine, journalism, and law.

SOCIAL STUDIES

The first step in the three year course of social studies is World History. It is a required course taken by all sophomores and it gives them a background for future study, especially for American history.

American History, taken by juniors, is the second required course in this department. This class offers a clear understanding of the history of these United States and teaches the true meaning and importance of citizenship.

The senior version of social studies is Problems of Democracy. This subject offers a background of social and economic problems. After finishing this tri-year course the student should have a better understanding of our country and its place in the world.

COMMERCE

Business Education may have either one of two purposes. It prepares an individual for a vocation and it is valuable for one's personal needs.

In bookkeeping fundamentals of keeping office accounts as keeping personal records are stressed. The use of various office machines is taught in the Office Practice class.

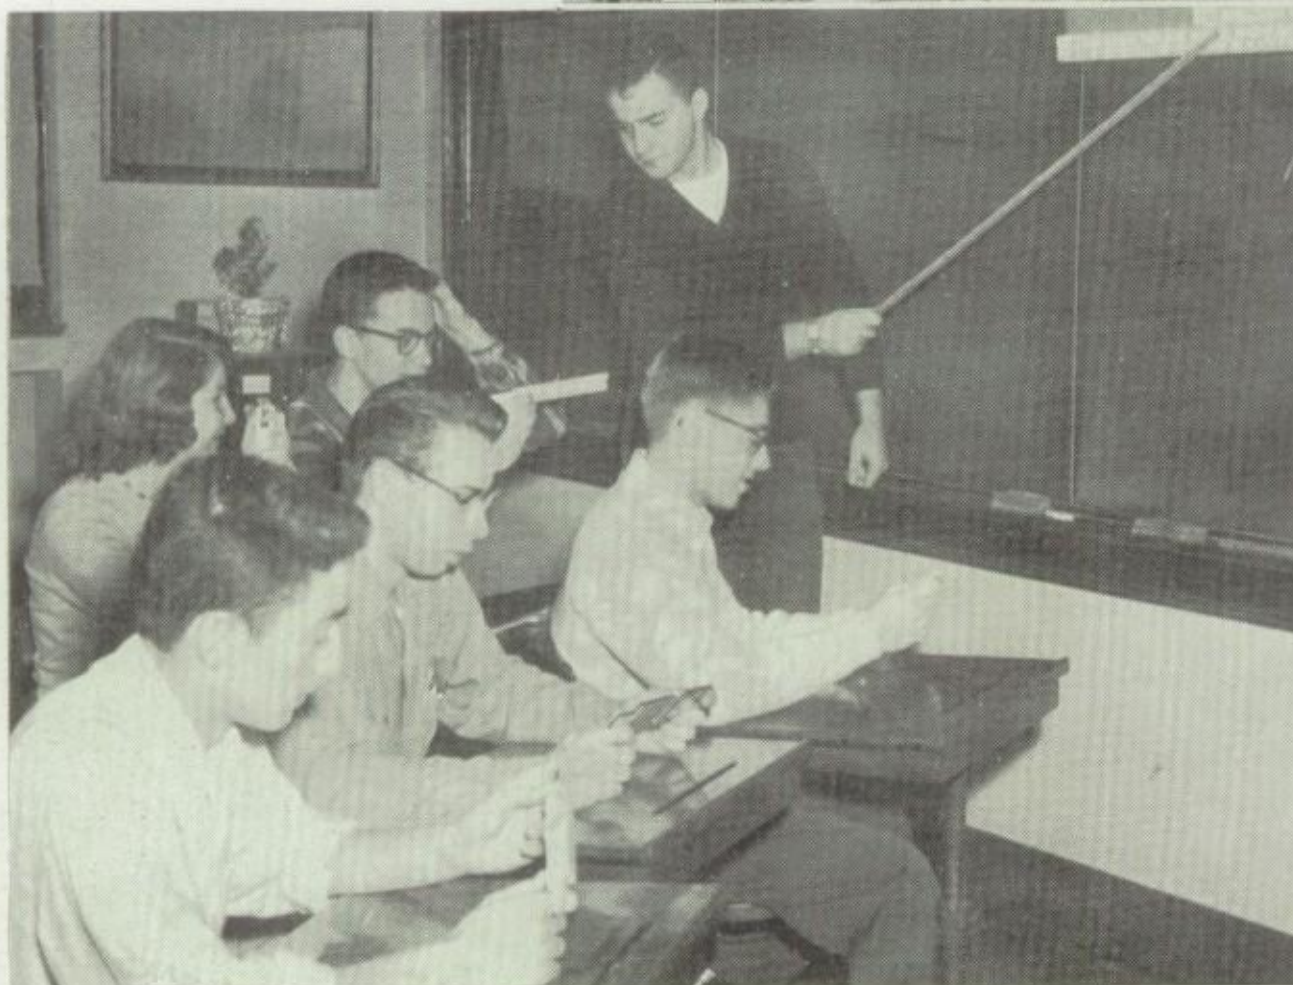

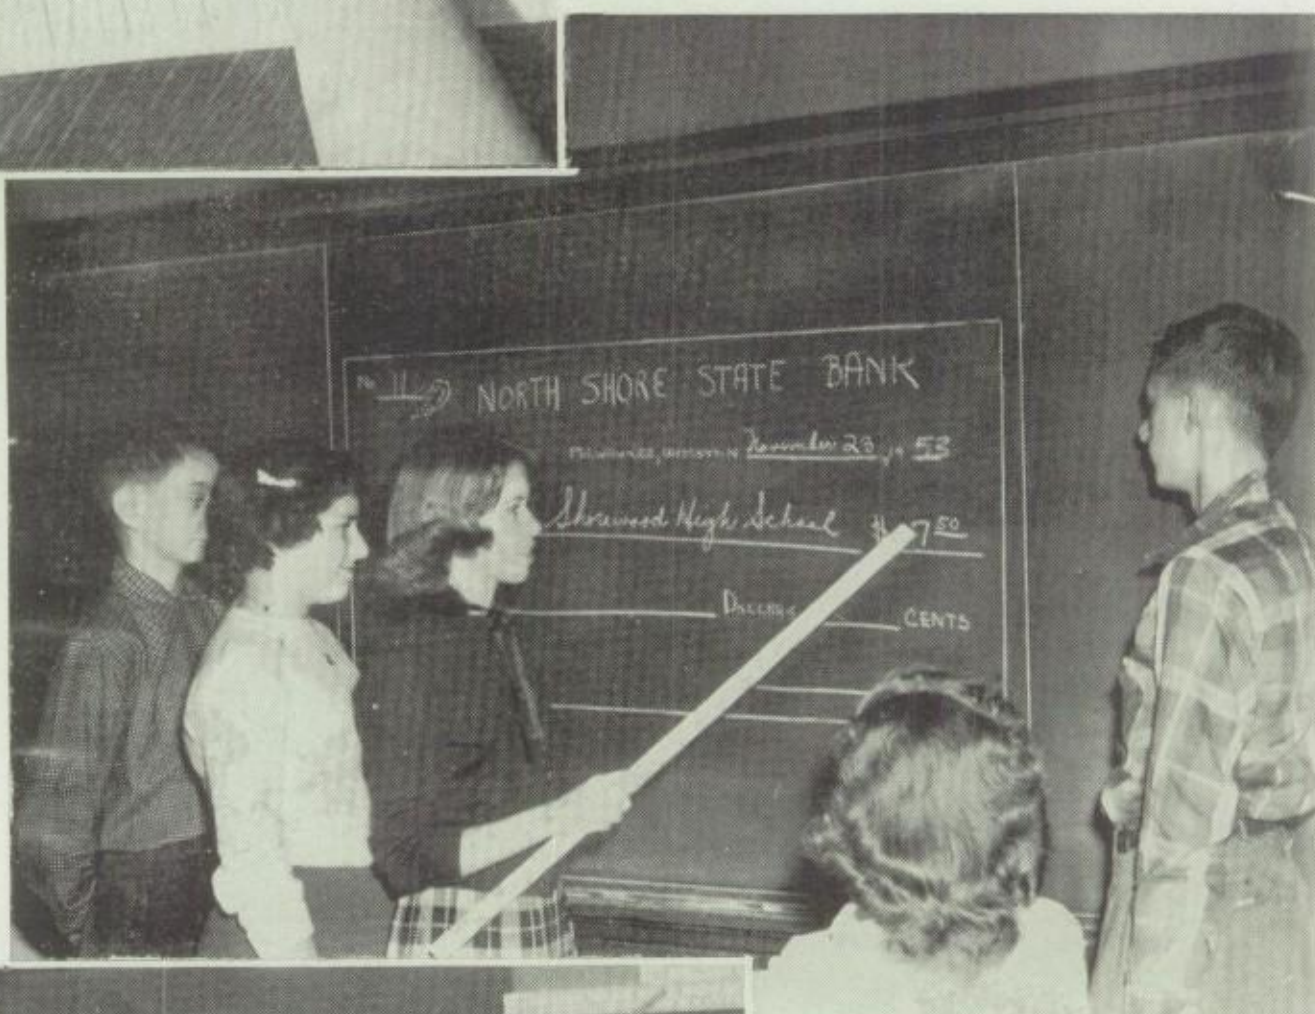

A year of typing is a prerequisite for stenography. Basic fundamentals are stressed in the beginning courses while the advanced courses lay more emphasis on increasing speed.

MATHEMATICS

Algebra and geometry form an elective sequence offered to freshmen and sophomores. These courses are required for entrance to most colleges. Upon completing geometry, the student is prepared for advanced mathematics courses.

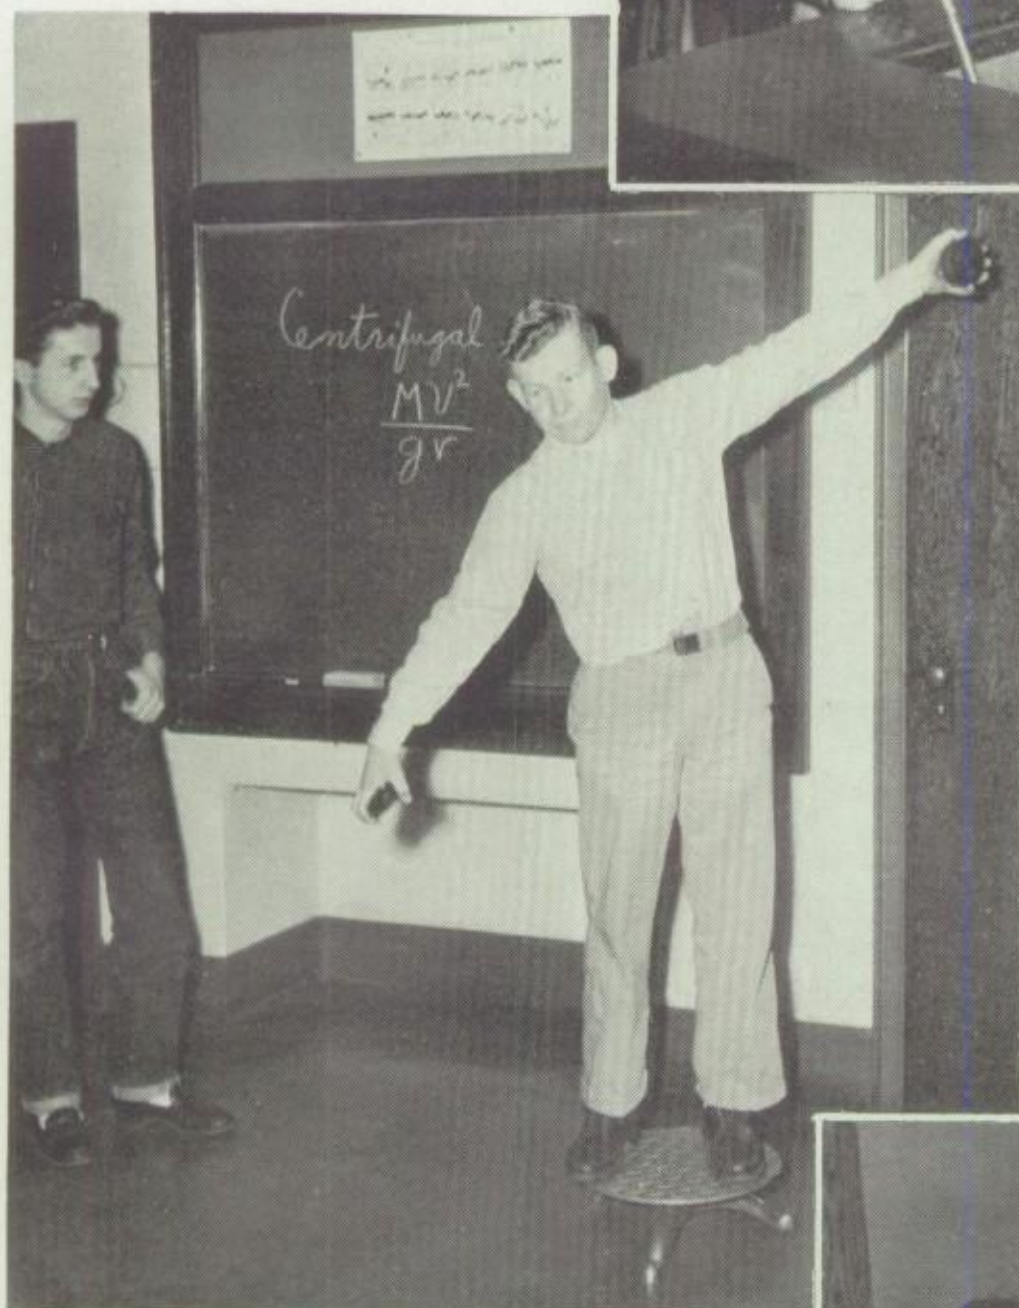

Math Essentials is offered to juniors and seniors and satisfies the requirements for graduation. Ninth grade arithmetic reviews the fundamentals of arithmetic, preparing students for future courses in algebra and geometry.

The advanced mathematics course offered to juniors and seniors consists of Algebra III, Solid Geometry, Trigonometry, and College Algebra. These subjects are essential to the students who plan a career in any branch of science or engineering.

SCIENCE

So that all students will become acquainted with the basic scientific principles, general science is a required course for freshmen. In this class they are introduced to the various phases of science.

Many students who wish to study the more advanced fields of science add to their basic knowledge by taking chemistry and physics in their junior and senior years; then, too, these subjects are good college preparatory courses. To clarify textbook material various technical and practical experiments are conducted.

Biology, a natural science course, is an elective open to sophomores, juniors, and seniors. Students learn how plants and animals live and grow; their class work is supplemented by field trips and individual investigations.

Juniors and seniors are offered a home economics survey course which includes foods, clothing, interior decorating, and family problems. In the foods course they study nutrition, balanced diets, buying foods wisely, and table decoration.

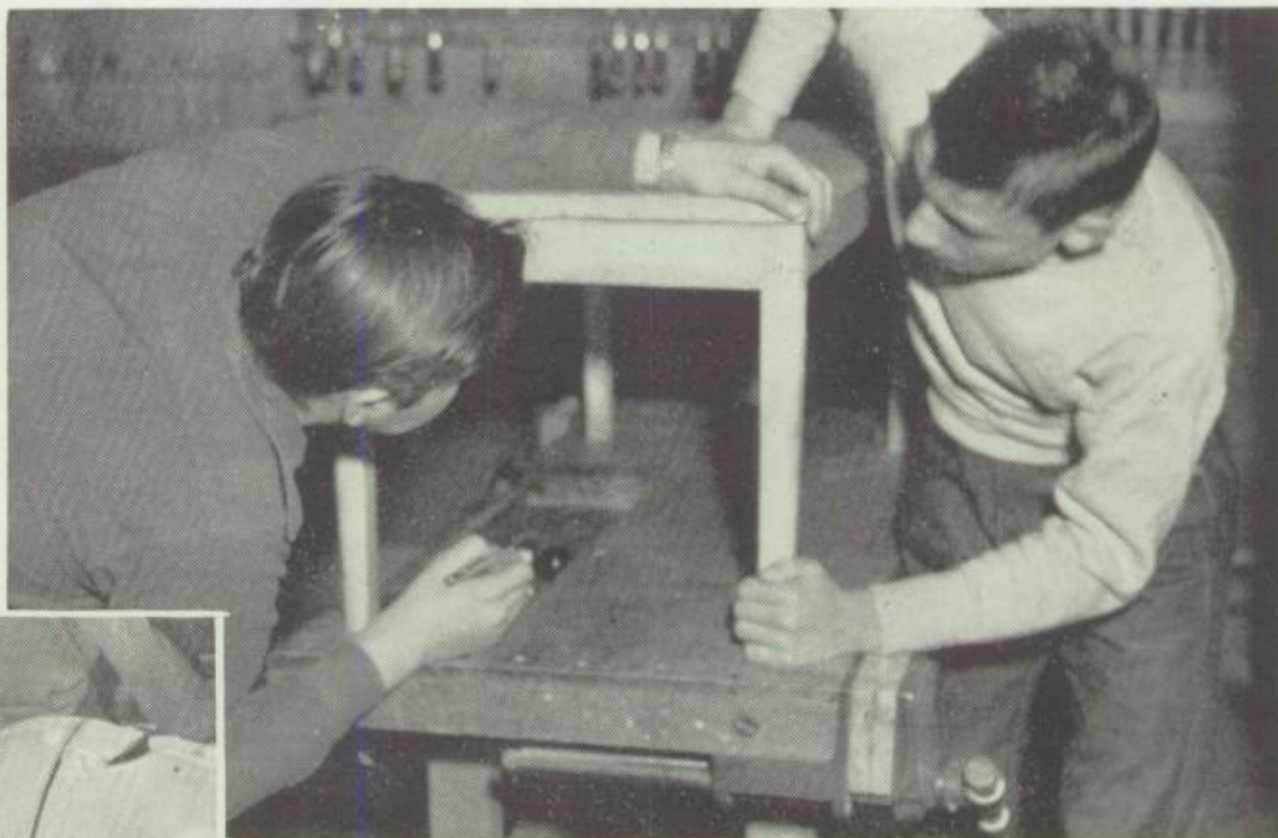

HOME ECONOMICS

Personal attractiveness, color and dress design, and clothing construction are included in the clothing courses offered to all senior high girls. These girls also learn to use leisure time more efficiently as sewing may also be a hobby.

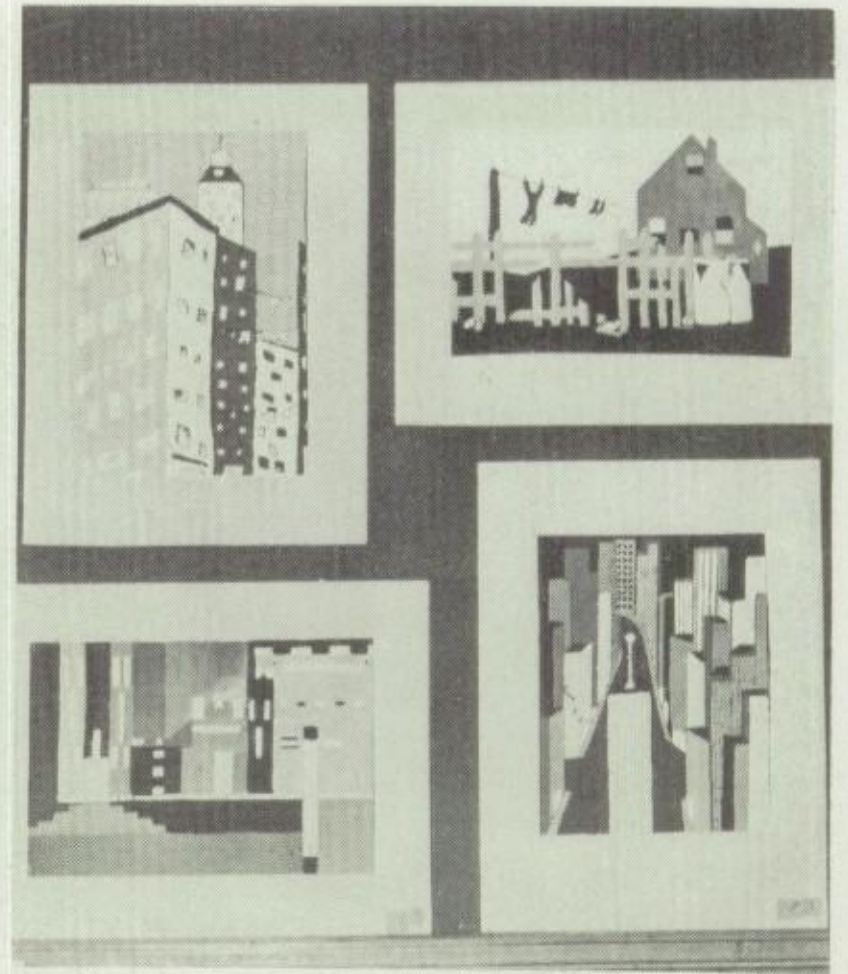

The kitchen of the home economics department has been remodeled and modernized. Many new appliances were added, among them an automatic clothes washer, dryer, and ironer. In their foods classes the students are being taught the use of these conveniences.

INDUSTRIAL ARTS

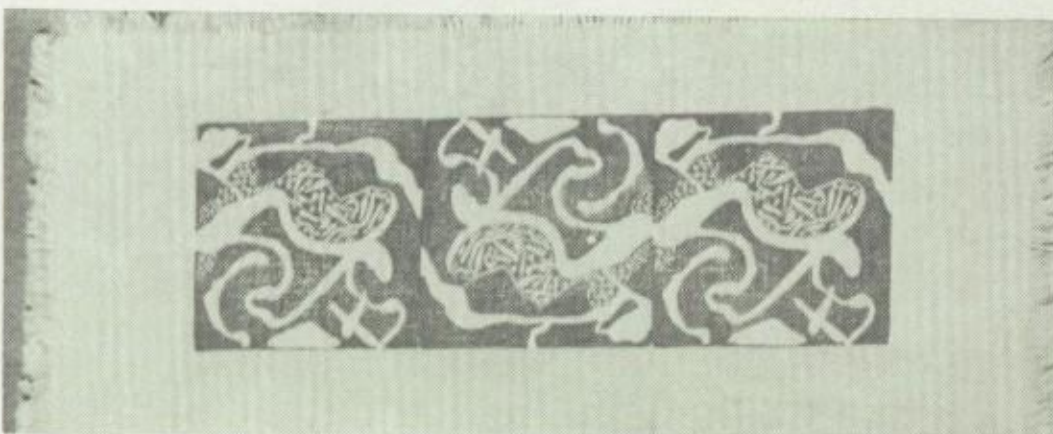

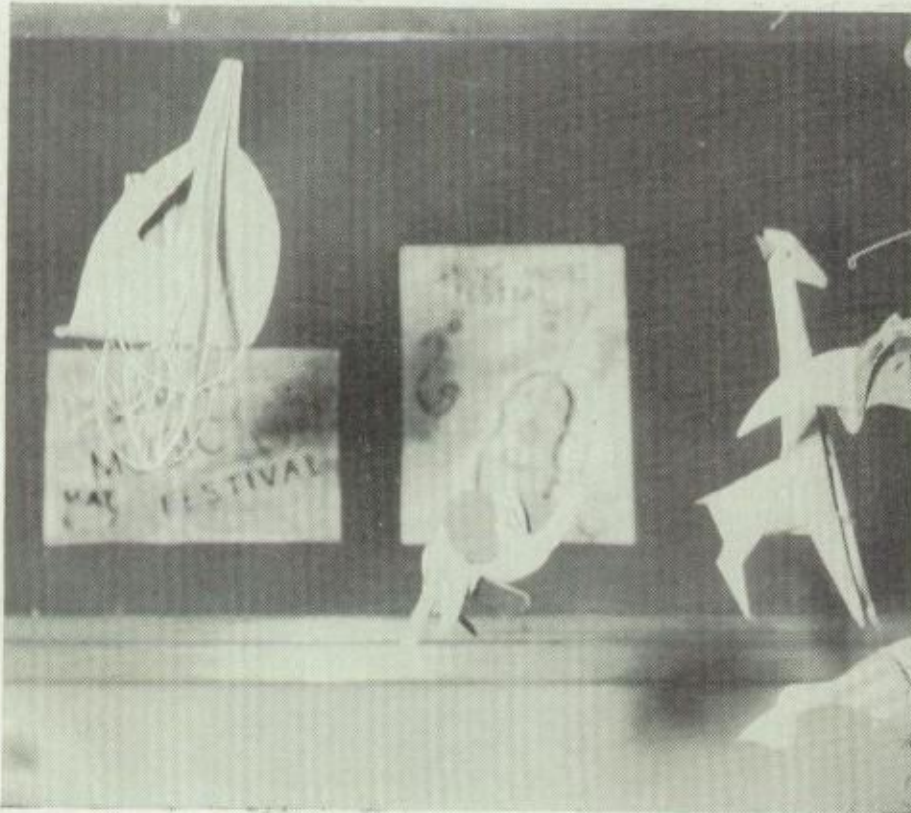

In the Industrial Arts department five courses, taught by Mort Koenders, Arthur Bidney and R. B. Newhauser are offered to all students. These courses include woodworking, art metal shop, mechanical and architectural drafting, and machine shop. After a boy learns the fundamentals in any class he may progress at his own speed, becoming as proficient in each skill as his abilities permit.

ART

Mobiles, posters, block prints, top animals, ceramics are among the many objects produced by enthusiastic art students.

MUSIC

All members of the A'Cappella choir have a weekly voice lesson with Mr. Donald Sellev.

Students who play in the band or orchestra, or who wish to do so, take lessons from Sandy Smith or Miss Jane Hollyman.

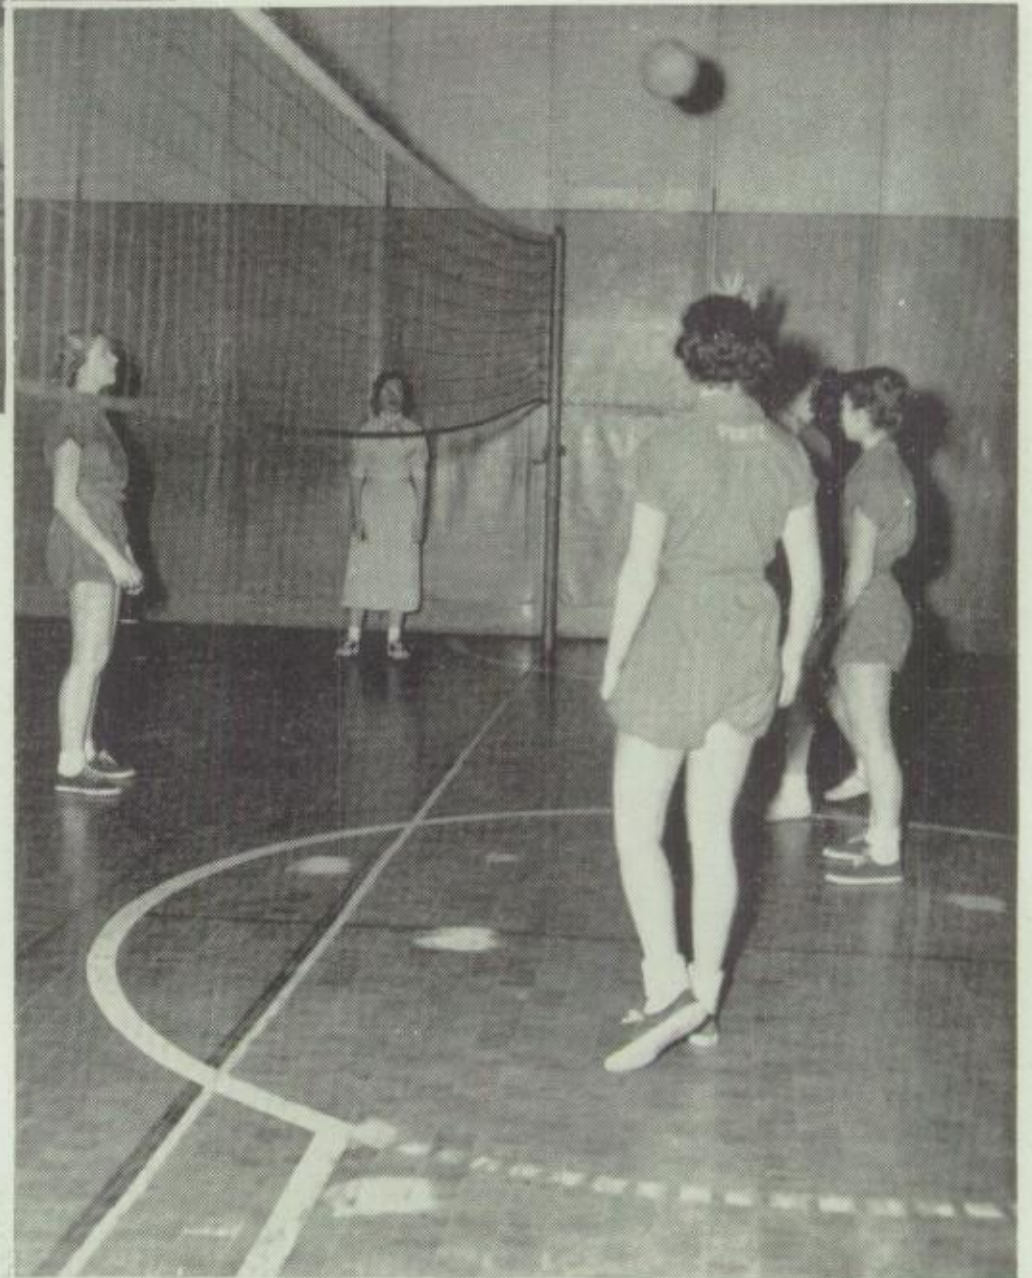

Piano lessons are offered by Miss Helen Garrett to all students who wish to take them. Instruction is given one hour weekly during the period scheduled for physical education.

Physical co-education is a new idea, making life more interesting for all concerned. It was started in both volleyball and square dancing.

PHYSICAL EDUCATION

Vigorous health and increased capacity for the enjoyment of life are the ends which the girls' physical education program strives to achieve. With this in mind, the department offers baseball, basketball, swimming, volleyball, soccer, tennis, archery, and bowling. The girls also do exercises and use the trampoline.

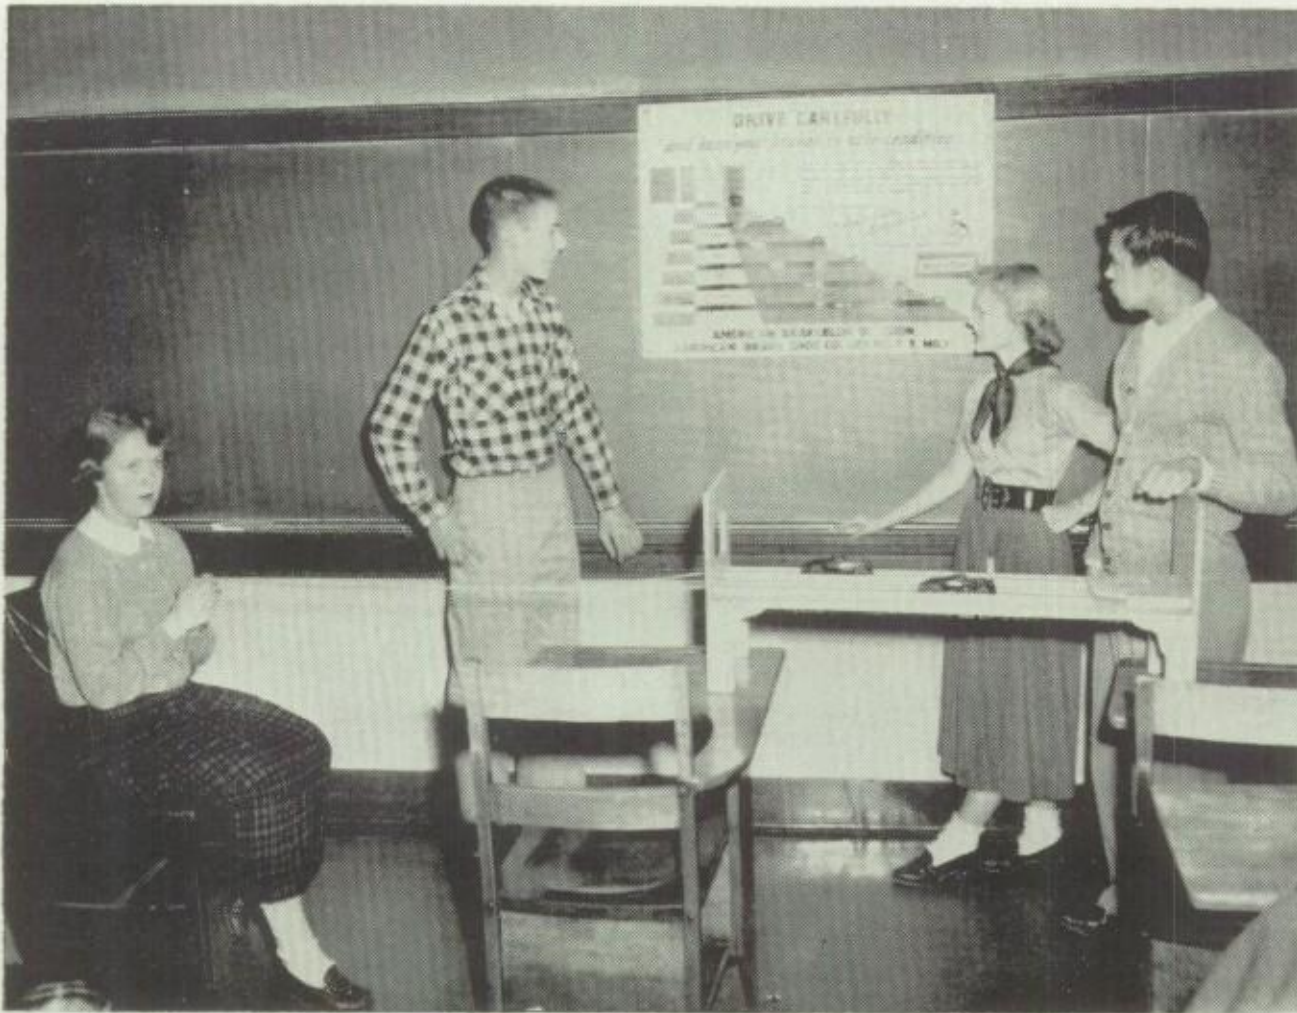

PHYSICAL EDUCATION

A wide variety of activities is offered by the Physical Education department, among them being swimming, football, basketball, and trampoline. The course is designed to help every boy to become mentally alert, physically fit and, in general, to gain body co-ordination.

Bothered and bewildered is the novice pinsetter.

DRIVER'S EDUCATION

Driver's Education is required of every student, in the hopes of making better drivers for the future. The course is given as close to the student's sixteenth birthday as possible. Having completed this course, the student is eligible to receive his temporary driver's permit without taking further written tests.

VOCATIONAL GUIDANCE

By the time a student has finished his freshman year he is required to have completed a unit in Vocational Guidance. This class helps

him to become acquainted with the various fields of work in which he may be interested. Every senior who does not plan to attend college is required to take a refresher course. This course reviews the occupational trends and gives each student a chance to reevaluate himself in the light of his high school experiences.

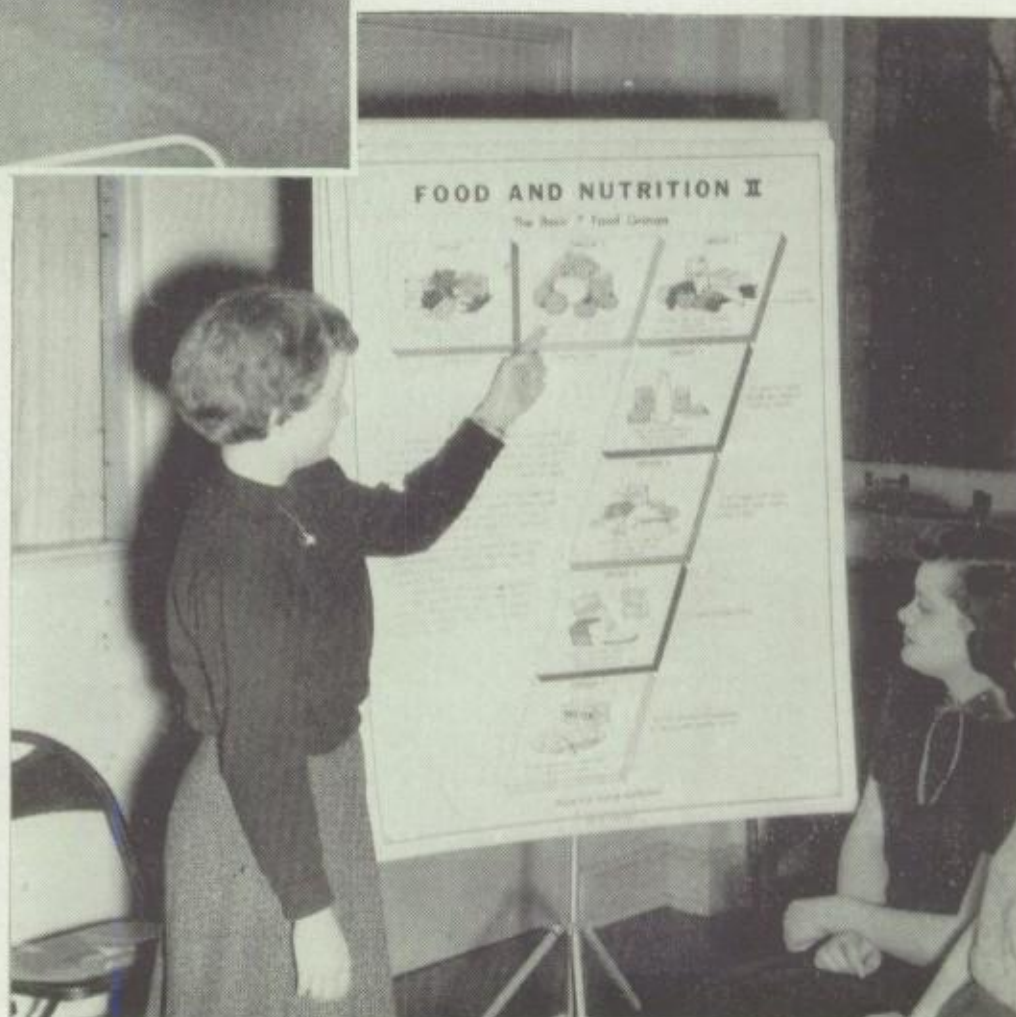

HYGIENE

One sixth of the boys physical education time is spent in hygiene. Three phases of work are covered during a three year period. This year's subject was mental health, the others are first aid and physical health.

In addition to first aid, senior girls take a course in Home Nursing. Here they learn how to take care of the sick professionally and efficiently.

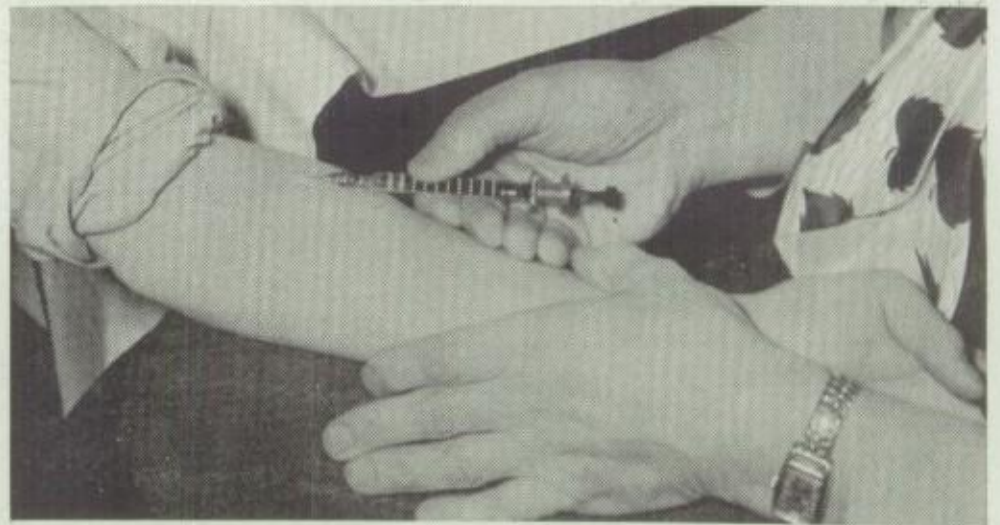

Sophomore, junior, and senior girls spend ten to fifteen days each semester studying different phases of health education. Prevention or early discovery of common diseases, personal hygiene, social dating, marriage and family relations are all discussed.

HEALTH

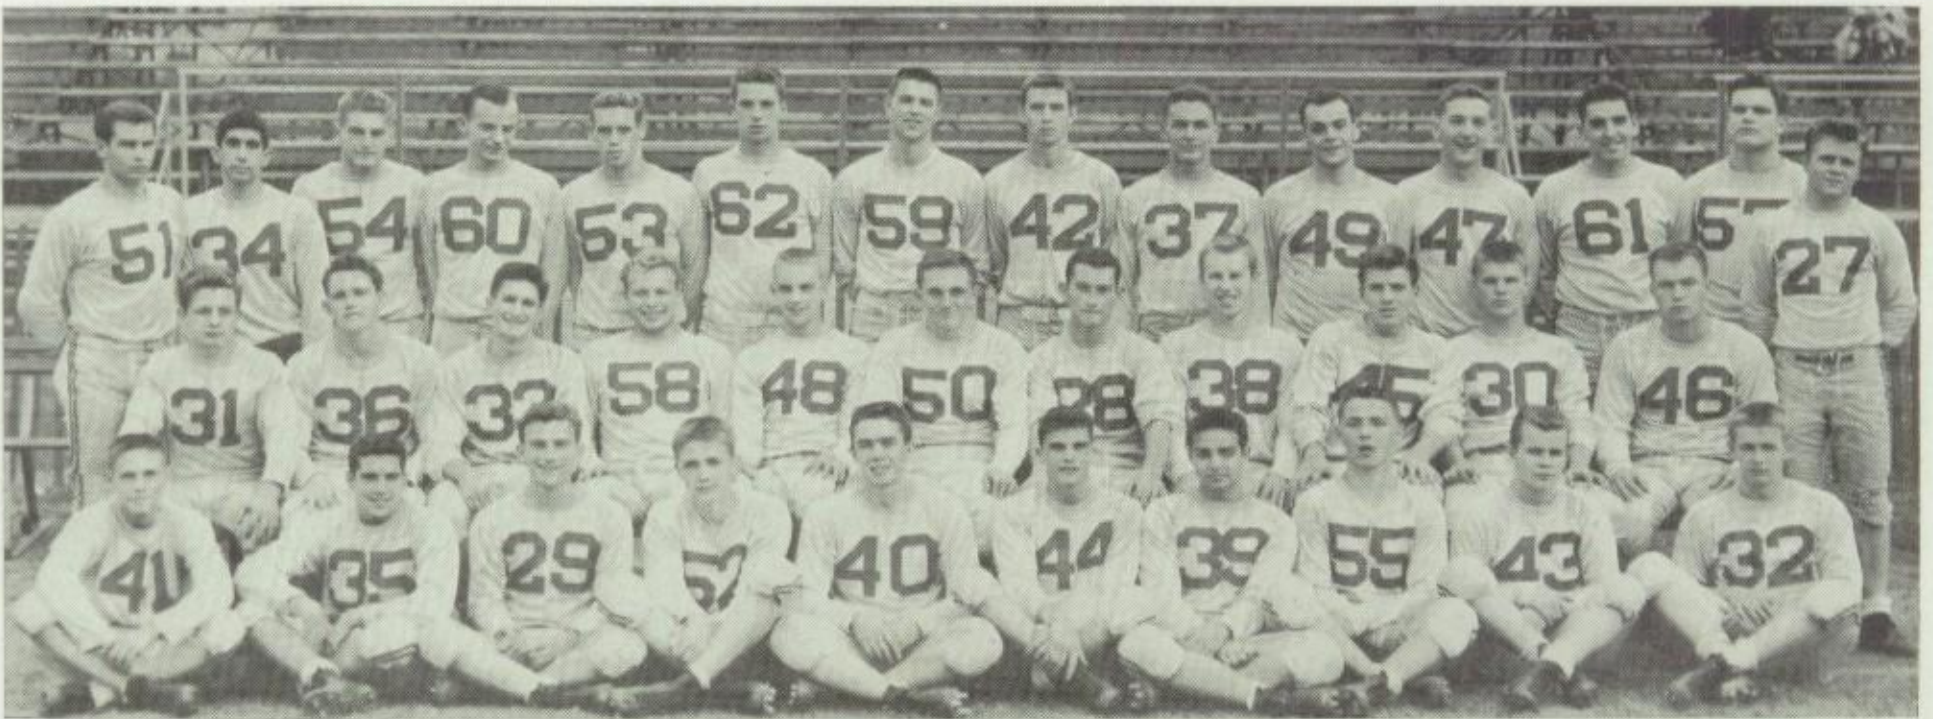

The Health department sponsors the annual T. B. checkup: makes yearly inspection of eyes, ears, teeth, and feet; and checks each returning absentee.

SPORTS

Shorewood offers all of its students a chance to participate in a varied sports program. Because of this opportunity students make many new friends and learn the value of good sportsmanship as well as the spirit of interscholastic competition.

VARSITY FOOTBALL

Coaches Paul Glod, Carl Siefert, and Len Leverson and the Shorewood gridders began the 1953 season in good fashion. On September 19, the Greyhounds sloshed their way to a 19-6 victory over South Milwaukee on a rain soaked field. The Red and Grey demonstrated a powerful running attack led by halfback Gene Manning, who bulled over for two touchdowns, and Harley Wahl, who skirted end for the other. The offensive finesse was lacking the following week when West Allis Central invaded Erickson Field. Central halfbacks continually flashed through holes in the Crimson line during the first half's play. The second half, however, saw the Greyhounds bounce back with passes from Darell Gage to Ron Meyers and sensational running by Manning, who piled up a total of 150 yards, for a 12-6 victory. Gaining revenge for last year's homecoming defeat, the Greyhounds downed Wauwatosa, 14-2. Manning again was the offensive cog, breaking away for several long, decisive gains.

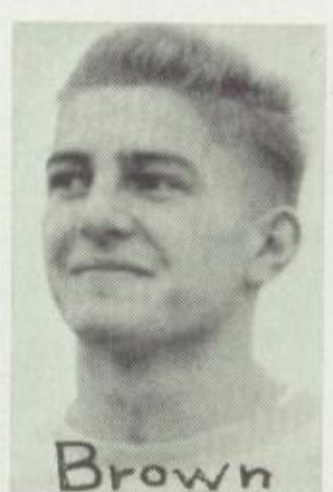

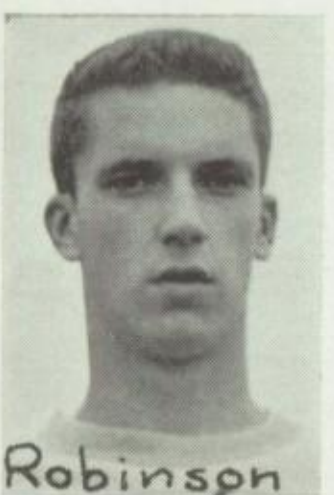

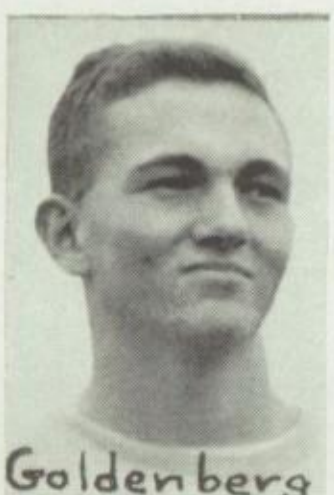

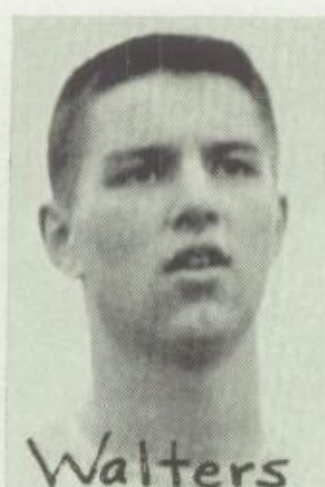

The night of October 9 saw the Blue Dukes from Whitefish Bay spoil the Greyhounds' bid to gain the Glory Cup by a 12-6 decision. Dave Rubin sparkled on defense, but a short pass attack and a speedy halfback proved to be the foundation of the Bay victory. The following week saw a powerful Waukesha Blackshirt team invade Erickson Field in the Crimson homecoming. Red and Grey linemen continually nailed Blackshirt passers and runners behind the line of scrimmage, and Gage hit for two

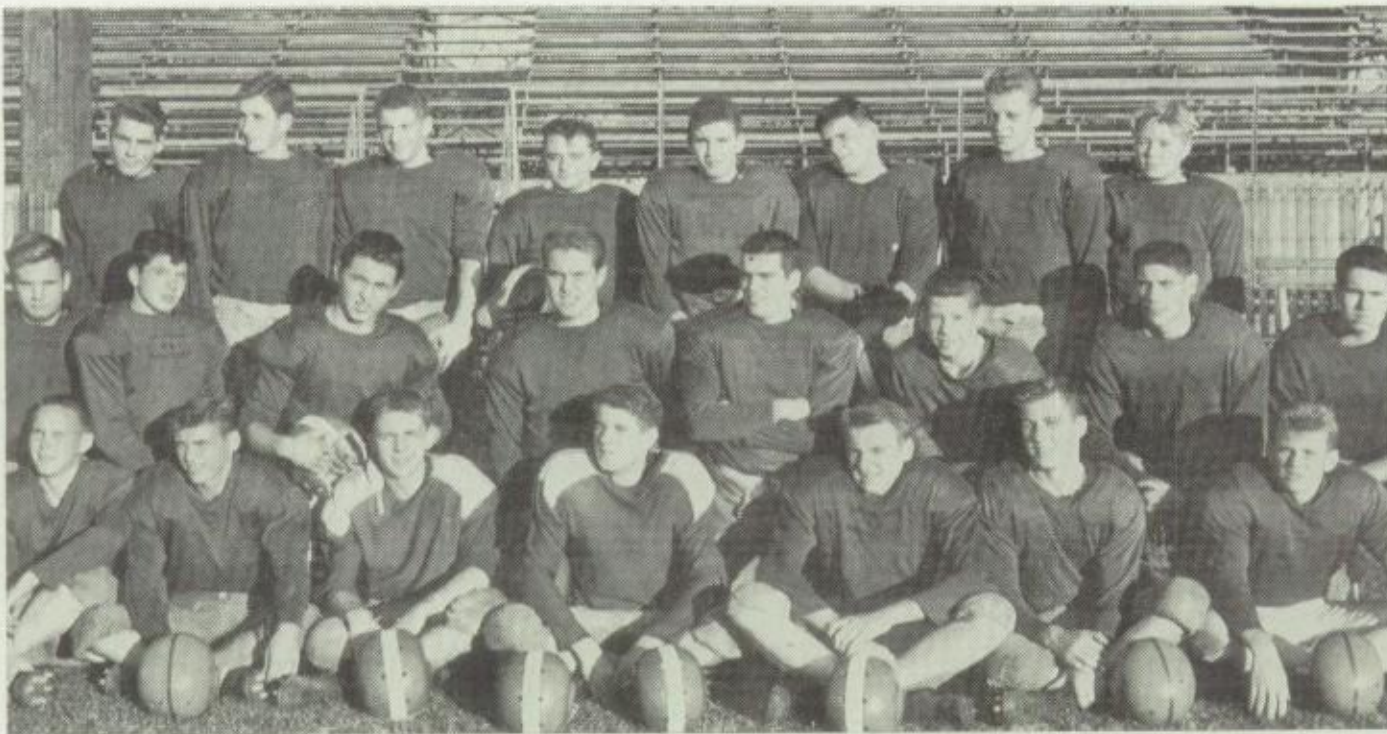

touchdown passes, one to Ted Rebholz and another to Wahl for a 13-7 team victory. Crimson championship hopes were dimmed the following week when Nathan Hale upset the Red and Grey, 12-7, on a last quarter touchdown pass.

In the last home game for eighteen seniors, a rough Cudahy squad ripped off two first quarter touchdowns in what looked like a sure rout. The Crimson combined determination with Dick Whitehouse's running and Gage's passing to deadlock the count at 13 in the third stanza; but a fifty yard Cudahy drive in the final period ended in a touchdown to beat the Greyhounds, 20-13. In the final game of the campaign, the Greendale Panthers defeated an injury-laden North Shore team, 20-0.

Manning, for his hard running, was given all-Suburban honors on the Milwaukee Journal team while Ray Jarchow, Rebholz, and Rubin gained second team honors. Manning, Jarchow, and Rubin were selected on the Milwaukee Sentinel second team. Manning was elected captain of the squad. Other lettermen were ends Bill Brynteson, Jack Genskow, Meyers, and Jack Walters; tackles Gary Goldenberg, Dave Lenske, Tom Smeltzer, Bob Stenzel, and Sam Swansen; guards Alan Brown, Don Fandre, and Jerry Fisher; center Rex Robinson and punter Ray McKeighan; and backs Gage, Darryl Grober, Warren Litynski, Wahl, Jim Whitcomb, and Whitehouse. Clarence Fehlhaber and Don Nelligan merited their letters for managing the squad.

SPORTS

Back Row: Gary Giese, Ed Pohle, Ben Zitron, Dave Dunn, Neal Skumau'z, Mike Green, Dick Klocko, Tony True. *Second Row:* Jim McElhaney, Dave Schipper, Kard Pierce, Dick Mauger, Tom Corner, Jan Potterveld, Bruce Marshall, John Whaling. *Front Row:* Tom McCraw, Dave Jordan, Ed Hahn, Mike Wood, Pete Hallock, John Krueger, Dennis Vedder.

"B" FOOTBALL

Coaches John Endres and Bill Gibbs' "B" squad had an average season this year with a record of three wins and two losses. Starting the season in fine form, the "B" squad trounced the freshman, 27-0. Many workouts with the varsity produced a team in which spirit ran high, and the jay-vee's decided the Bay, 13-7, and Don Bosco in a thriller, 7-6. With three victories under

their belt, the team looked forward to their game with Washington's Subs; but the Purgolders proved too strong and shutout the Greyhounds, 19-0. The finale with King was another thriller, but again the city conference produced a stronger opponent, and the Generals won, 19-14. In summary, the season was a good one, and the "B" squad gained valuable experience for next year.

FRESHMAN FOOTBALL

Under the fine coaching of Bill Olson and Chet Rinka, the freshman football squad of 1953 was a fine one. Their record, although a good one, does not completely tell the story. Starting the season in high spirits, the frosh played a hard game, but lost to a powerful "B" team, 27 to 0. A week later Rufus King's Generals invaded Shorewood and, in a hard fought game, drew a

scoreless tie. To round off the season, the junior Greyhounds beat Don Bosco, 13 to 0; the rivals from the north, Whitefish Bay, 7 to 0; and the Tigers from East, 14 to 7. The frosh also gained needed experience and knowledge and left no doubt of any shortage of football material for future varsity teams.

Back Row: Ron Strauss, Ed Waldeck, Bob Ridders, Walter Kaufman, Guy Weckesser, John Bjorkholm, Phil Peck, Alan Willis, Ed Gschwind, Lynn Adelman. *Third Row:* Fred Suran, Chris Swansen, Paul Carey, Tom Bell, Mike Black, Ralph Schultz, Ralph Dixon, Mike Mooney, Burrell Kaufman. *Second Row:* Erv Lauer, Dave Papermaster, Jerry Subeck, Ed Sutherland, Ted Kornblum, John Lee, Bob Zach, Hank Hahn, Bob Bohm. *Front Row:* Bob Major, Ken Nawrocki, Jerry Schiesel, Don Orth, Daryl Smeltzer, Dick Seaman, Bill Waters, Bill Schleicher, Fred Bloom, Ken Murphy.

Back Row: Dave Nelson, Glenn Albrecht, Ronald Wempen, Jan Brukman, Gerald Rusch, Bob Gether, Fred Sampson, Terry Bleck. Second Row: Ken Borchardt, Dean Gage, Bill Richards, Fred Leonhardt, Bill Whyte, Bob Coifman, Rod MacGregor. Front Row: Dick Deringer, John Ackerman, Jim Norton, Russ Mueller, Dave Aldrich, Zici Zephries, Art Quinnell, Fritz Callahan.

CROSS-COUNTRY

The cross-country squad had a better than average season, taking first in the North Shore Invitational; third in the State behind Lincoln and South Milwaukee; third in the Suburban behind Wauwatosa and South Milwaukee; third in the Whitefish Bay Invitational behind Wauwatosa and Rufus King; and fourth in the Lakeshore meet behind Racine Park, South Milwaukee and Whitefish Bay. The Greyhounds also captured two of four dual meets.

For the second consecutive year Coach Kurt Zander produced an individual champion. This year Art Quinnell outshone a field of 72 runners for the outstanding achievement. As Quinnell is only a junior, he has an excellent chance of repeating next year. Quinnell also placed first in the North Shore Invitational, second in the Lakeshore, and third in the Bay Invitational. Another medal winner in State competition was Russ Mueller, who began the season on the "B" team and through hard work improved to place eighth in the State meet. In his first year on the team Dave Aldrich also performed well and placed twentieth in the State and twenty-ninth in the Suburban. Senior Fred Callahan placed nineteenth and fifteenth in the State and Suburban, respectively, to help pace the Crimson to third place in both.

Mueller and Aldrich are sophomores and should combine with juniors Quinnell, Dick Deringer, and Jim Norton to form a powerful aggregation next year. Deringer and Norton improved greatly this year and should be polished runners by next season. Seniors Bob Gether and George Zephries along with the six mentioned above also received letters for their year's fine showing.

SWIMMING

Coach Peter Colosimo, with the assistance of Coach John Endres, guided the 1953-54 team in a season of rebuilding for the future. With only four seniors on the varsity squad, the underclassmen had to carry the load of a stiff schedule.

The first meet saw the Shorewood finmen against a strong Boys' Tech team, which overpowered our swimmers, 46-37. In a triangular meet in December, the Colosimomen encountered the two most powerful teams in the Suburban conference, Waukesha and Whitefish Bay. Waukesha came out on top with 46 points, followed by the Bay with 39 and Shorewood with 23. Strangely enough the high point of season came early, when the fighting Crimson defeated a confident Wauwatosa squad, 45-38. Alberts, Robinson, Swain, Peters, and the 150 yard medley relay team placed first to lead the Greyhounds to victory. To start the new year out the Crimson lost a heartbreaker to Kenosha, 45-37. Waukesha was next to defeat the Red and Grey in the Blackshirt pool, 52-31. On January 15, at

the Cardinal Relays, the Greyhounds succeeded in capturing a tie for sixth place with Pulaski. Swimming against Whitefish Bay and Pulaski, the boys began to show winning form in their individual events, but it was not enough to provide a margin of victory and they lost 51-32, and 50-33. A return match with Waukesha in the home pool proved to be one of the closest meets of the season, for the Colosimomen were nosed out in the last relay to a 46-37 decision. In the final dual meet of the season, the finmen invaded Wauwatosa and were defeated, 53-29. The Suburban meet saw the Crimson show fine form to place fourth. Only Ehrendreich and the 150 medley relay managed to qualify for the state meet, but they gathered enough points to place seventh in a field of thirteen teams.

Although the odds were against them in practically every meet the boys always showed a great deal of determination and fight so, with five returning lettermen and material from a fine "B" squad, the Greyhounds should make a good showing next year.

BASKETBALL

When basketball rolled around this year, a new coach, Dave Jones, set upon his task of introducing the fast break style of basketball to Shorewood. The new brand of ball had not yet been perfected when the schedule opened with the traditional Thanksgiving Eve game with East, and the Tigers downed the Crimson, 64-47. Center Jack Walters led Greyhound scorers with 17 points. Two nights later Rufus King fell before the Red and Grey onslaught by a 60-37 margin.

The conference opener saw the Jonesmen demonstrate an aggressive brand of ball, but when the five Red and Grey starters fouled out, South Milwaukee sped to a 67-51 victory. The Greyhounds took the court a night later to hand out a 60-43 trouncing to Whitefish Bay. Continuation of conference play saw a well-polished Waukesha team defeat the Crimson, 68-44. In what was to be their best game of the campaign, the Greyhounds upset West Milwaukee, 74-58.

Bruce Larkin and Bill Brynteson paced the North Shoreans with 22 and 18 points respectively.

The Redmen easily overpowered West Allis Central, 68-49. Opening the new year's play, the Crimson tipped Nathan Hale, 53-52, on Warren Litynski's free throw in the last five seconds. The Red Raiders of Tosa humbled the Greyhounds, 83-59. First place Cudahy's defense was instrumental in defeating the North Shoreans, 54-43.

In a thriller the Red and Grey edged South Milwaukee, 70-69, in a double overtime. In the remaining tilts the Greyhounds whipped Central, 90-54, and Hale, 51-44, but lost to Waukesha, 87-60, and West Milwaukee, 76-57. Our Greyhounds dropped their first round game of the Regionals to North, 53-44; and were nipped, 76-75 by Washington, in which game Darell Gage led the Crimson with 22 points. Bruce Larkin, for his deadly shooting ability, was named to the second string all-Suburban squad.

Back Row: Gunther Weil, Pete Strasburg, Dick Brennan, Brad Adair, Tom McCraw, John Uselding, Pete Hallock, John Krueger, Sam Swansen, Russ Mueller, Les Aspin, Ed Pohle, Dick Kaimann. Front Row: Ben Zitron, Shelly Dorf, Ronny — Mgr., Coach Gibbs, Dean Gage — Mgr., Dave Dunn, Jan Potterveld.

"B" BASKETBALL

Under the guidance of Coach Bill Gibbs, the "B" team had a fine record, winning twelve games out of seventeen. Starting the season in fine form, the Jayvees beat King and East, 42-35 and 44-39; then won over Whitefish Bay, West Milwaukee, Greendale, Central, Cudahy, Waukesha, and Wauwatosa, and dropped close

games to Hale, South Milwaukee, and West Milwaukee. The outstanding games were with Tosa and Waukesha when the Junior Greyhounds whipped highly favored opposition, 46-35 and 57-56. Using an offense patterned after that of Coach Jones' team, the squad is well prepared for next year's varsity play.

FRESHMEN

In his first year of freshman coaching, Coach William Olson produced a team that deserves much praise. Their final record was six wins and three losses. They beat St. Roberts, Don Bosco twice, Whitefish Bay, South Milwaukee,

and Rufus King. The Greyhounds lost to the Bays, Hawthorne, and Lutheran. All in all, the frosh showed themselves to be ready and willing to step into the shoes of the outgoing "B" team.

Back Row: Coach Olson, Lynn Adelman, Paul Dahlburg, Chris Swansen, Ed Waldeck, Mike Mooney, Bob Zach, Ronny Strauss, Ken Murphy, Steve Rubin—Mgr. Front Row: Bill Walters, Ralph Dixon, Bert Berkwich, Dick Seaman, John Lee, Fred Malver, Bob Major.

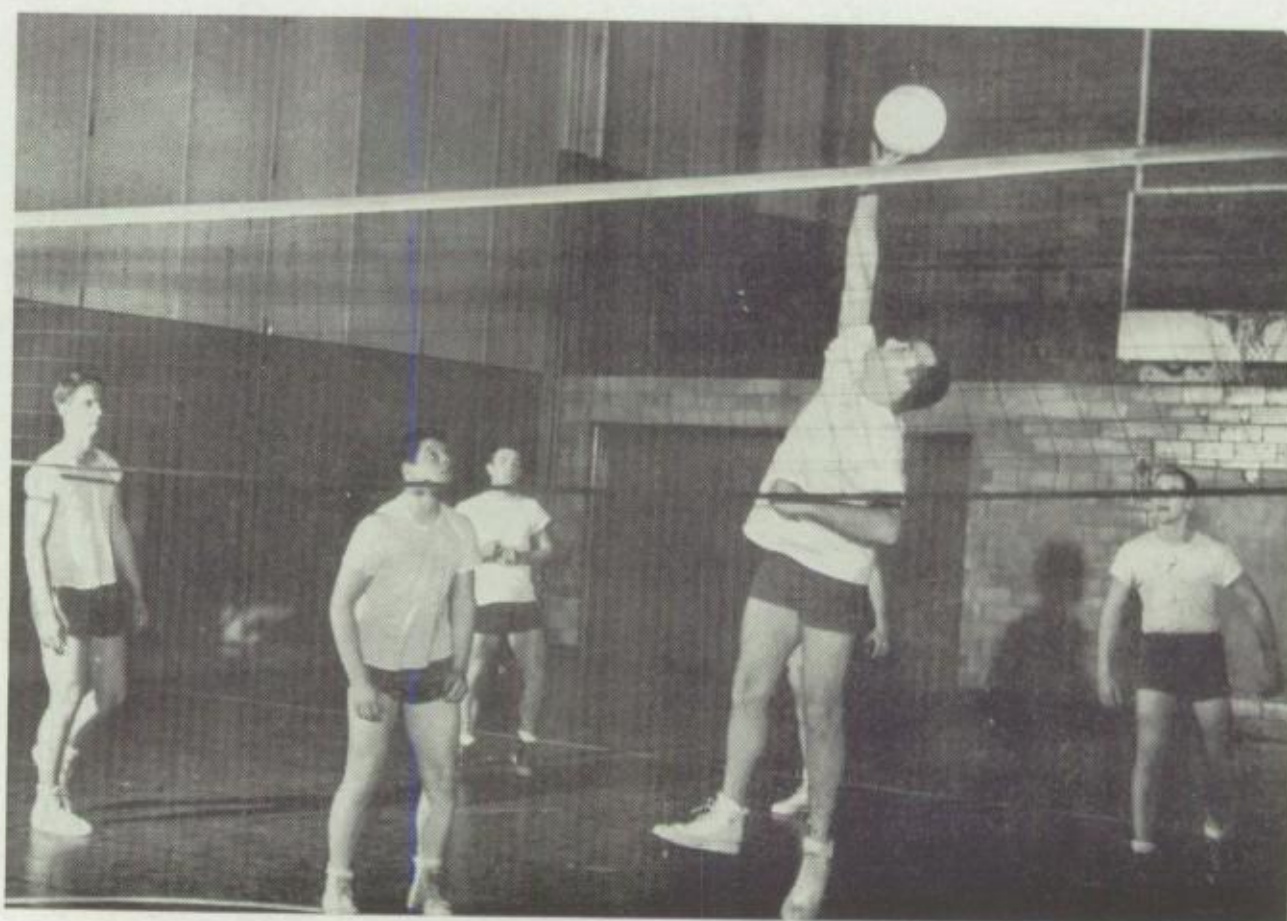

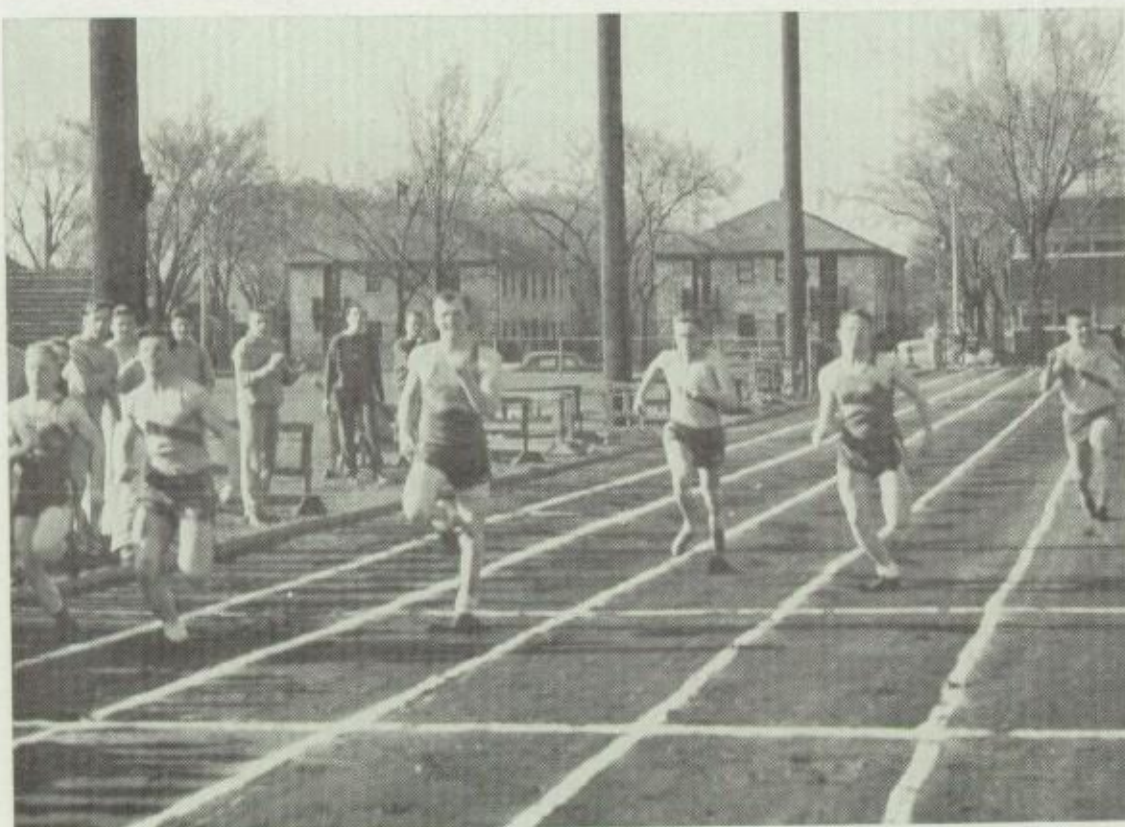

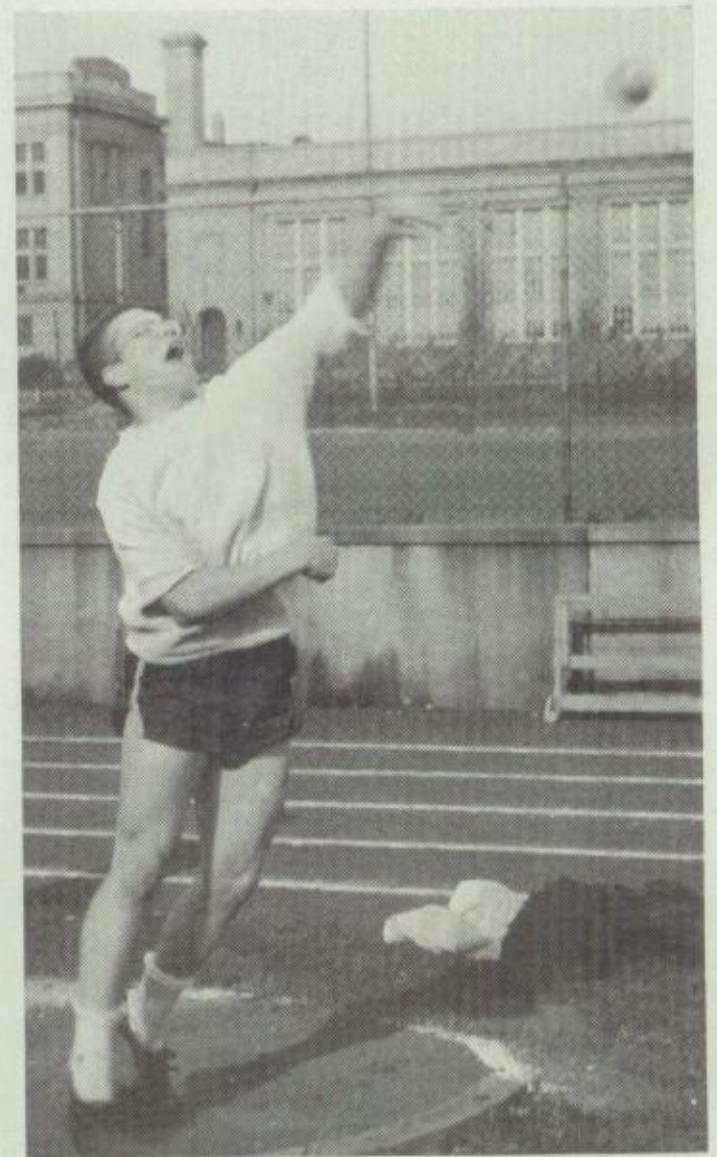

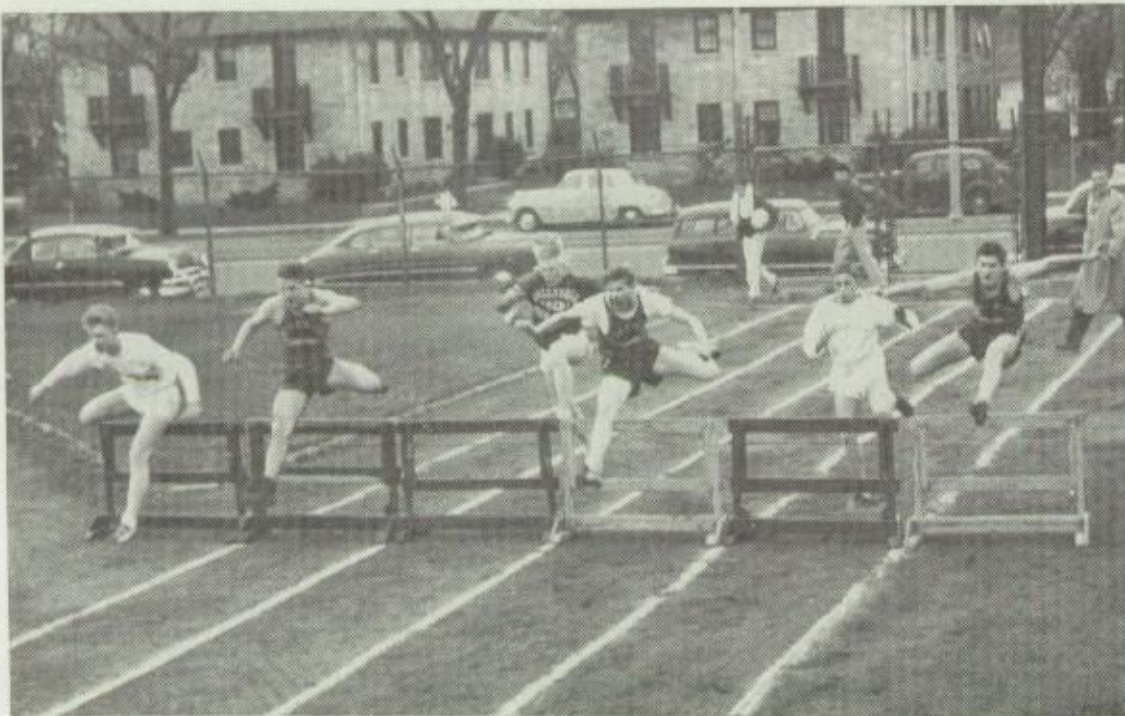

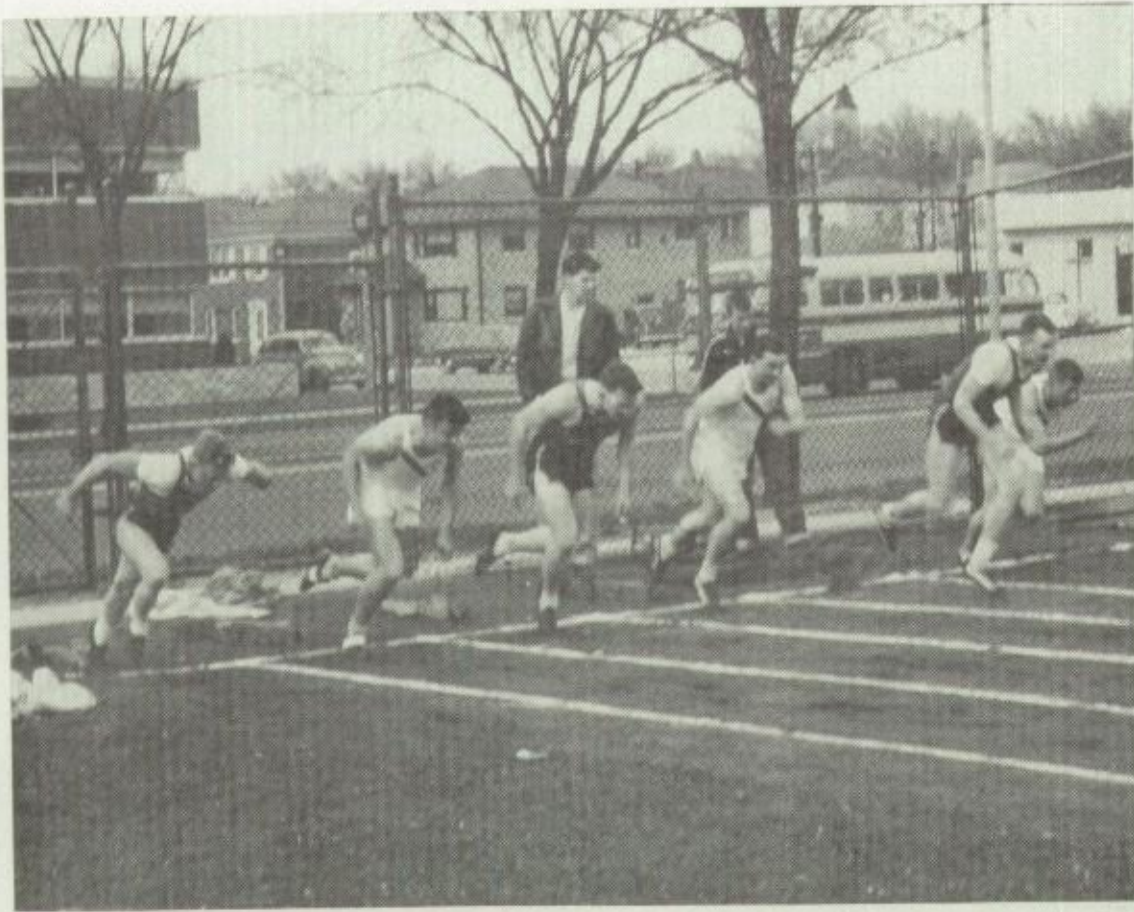

Back Row: Al Brown, Gene Manning, Darryl Diamond, Jack Genskow, Bill Winter, Dave Lenske. Front Row: Rex Robinson, Tom Smeltzer, Don Frerk, Wally Rojahn, Joe Herzberg.

VOLLEYBALL

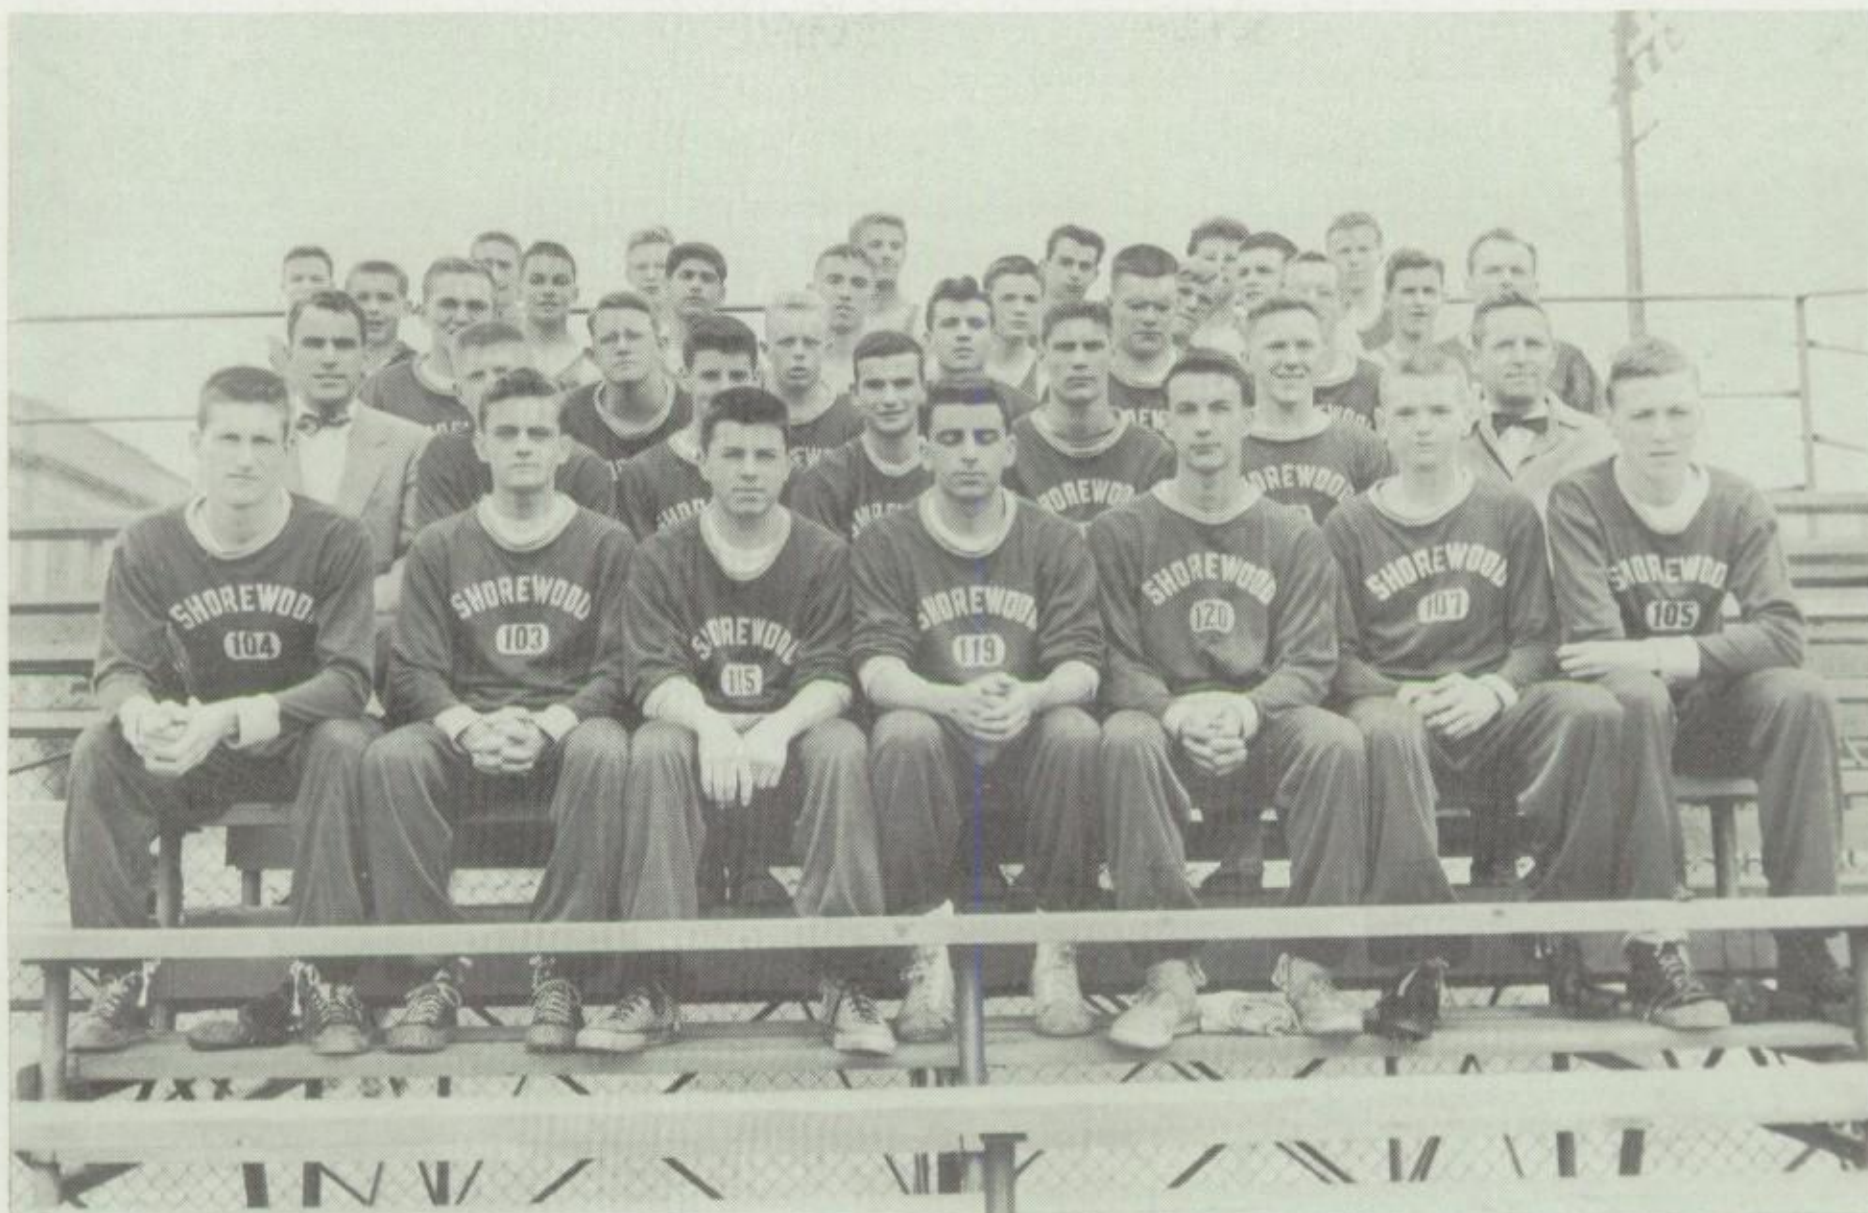

With a record of thirteen wins and fourteen losses, Ole Gunderson's volleyball team of 1954 experienced an average season. Probably the outstanding aspects of the year were the Greendale and West Milwaukee games in which the team shut out the opposition 3-0. The Hale and South Milwaukee games were also very good as the Grey hounds took Hale, 2-1, and lost a close match to South Milwaukee, 2-1. Waukesha continued its volleyball reign by taking the suburban championship. Shorewood's play earned them a fourth place rank, with ten teams competing.

With half of the squad underclassmen and with the apparent increase of interest in the sport next year's season should be even better.

1953 Spring Track

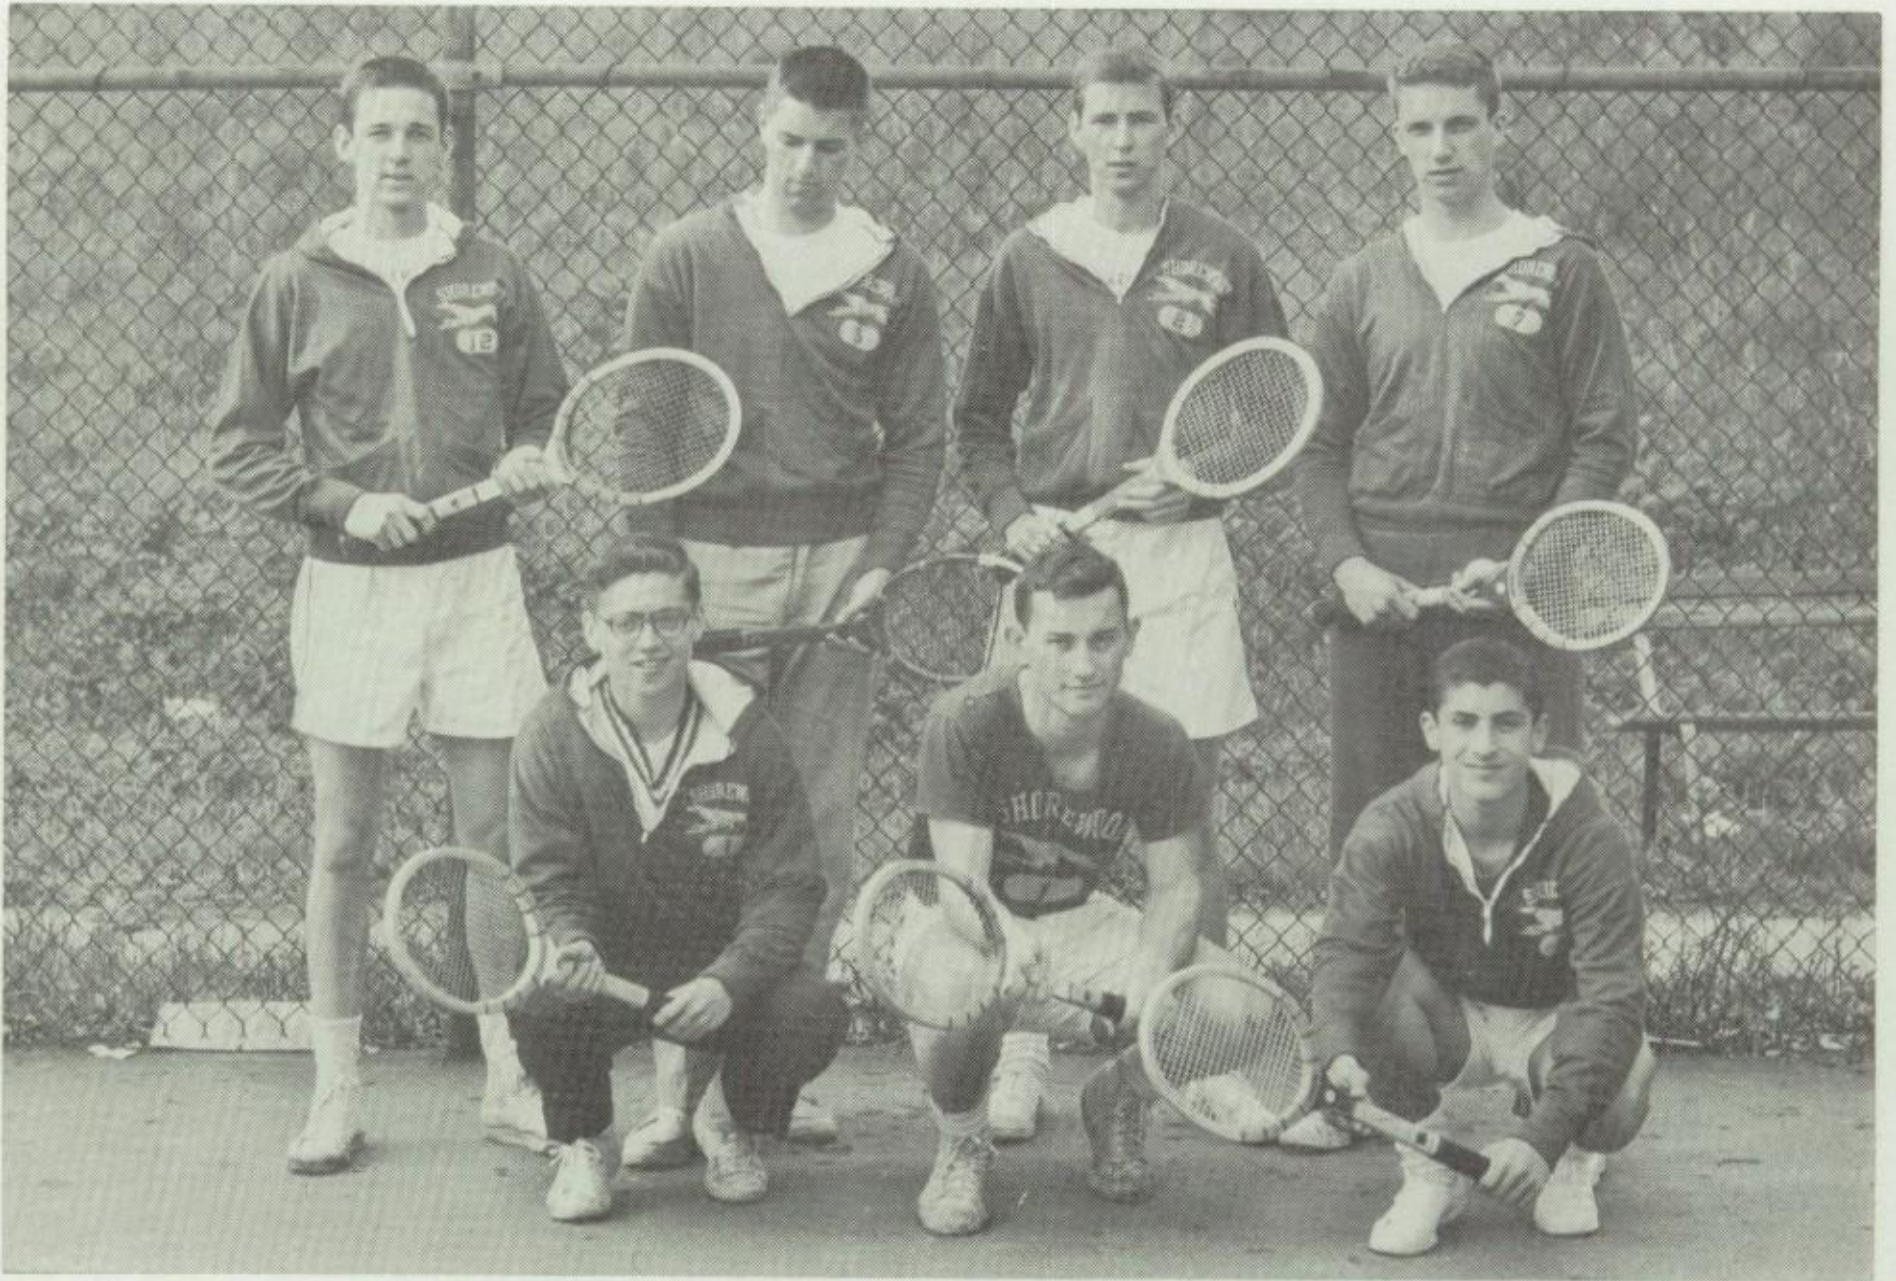

Back Row: Schuyler Rector, Dale Koch (mgr.), Gunther Weil, Bob Coifman, John Gifford, Dick Schuloff, Mike Mooney, Mike Wood, Daryl Smeltzer, Darryl Diamond, Dick Bacher, Jerry Fisher, Chris Swansen, Hugh Beuscher, Dick Seaman. Front Row: Jerry Rusch, Jim Norton, Fritz Callahan, George Zephries, John Loppnow, Jon Olson, Tom Krueger.

TRACK

With the spirited guidance of Bill Gibbs, new head coach, a renewed interest in track developed this year. Working with a nucleus of last year's lettermen, some new medium distance prospects, and some new field event men, Coach Gibbs' squad improved greatly throughout the year and started what should be the revival of the track prestige of Shorewood. The introduction of the Shorewood Relays which were held May 1 proved to be one of the major events of the season. Eleven schools entered teams and provided outstanding examples of track prowess. Shorewood's Distance Medley team which won their event, plus a second place in the Sprint Medley, thirds in the 880 relay and shot-put events, and fourth in the high hurdles, gave the Greyhounds a fifth place standing.

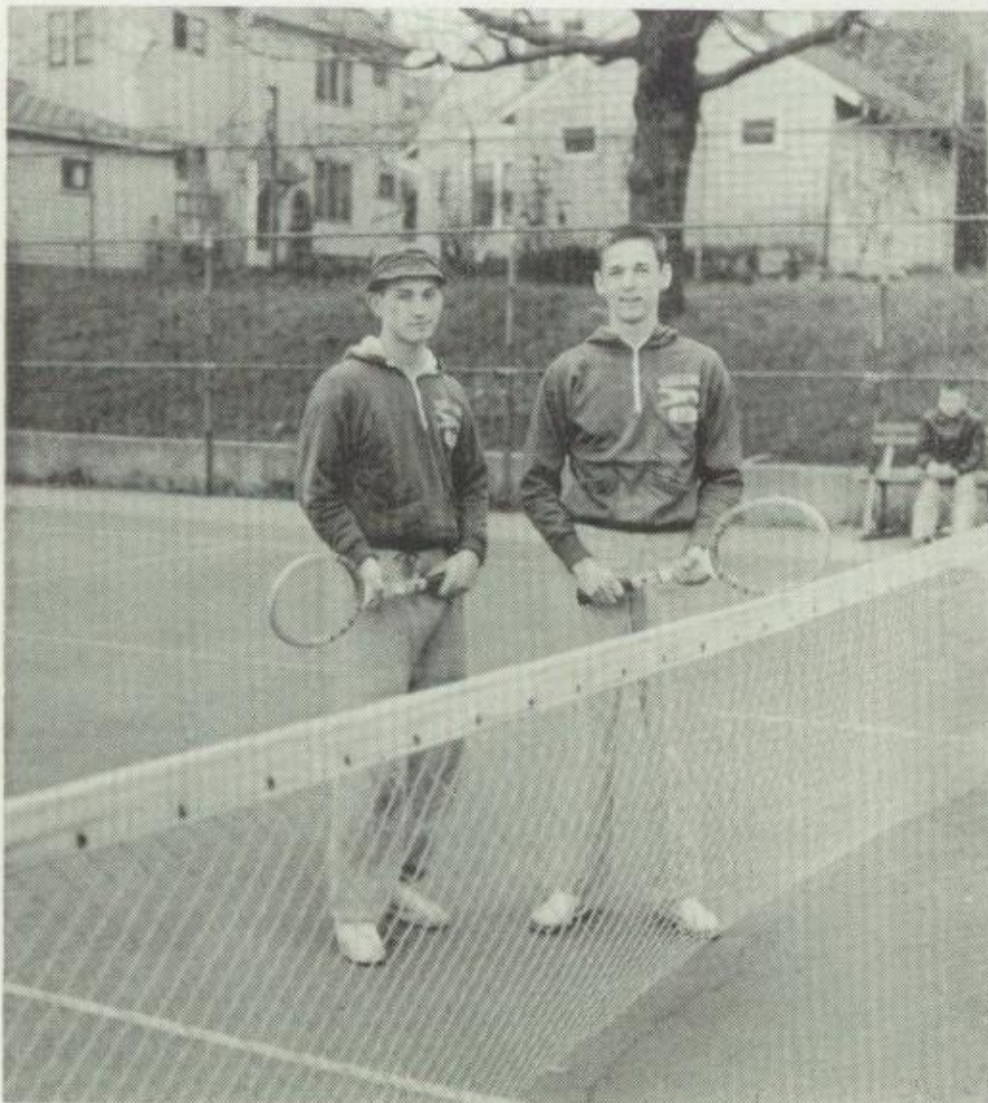

Kurt Zander, Dick Scibby, and John Endres, assistant coaches, have made the distance and field events much stronger and have begun Shorewood's bid to be a stronger contender for the Suburban track crown. Particularly outstanding during the season was the two mile relay team, which, at the suburban indoor meet at Baker Field House, proved itself as one of the best in the conference by winning the 24 lap relay which is equivalent to almost two miles. Although track is mainly an individual effort, Coach Gibbs has instilled a team interest with the emphasis of strong relay teams, which in turn have given the squad the determination to raise Shorewood to its former place as a track power.

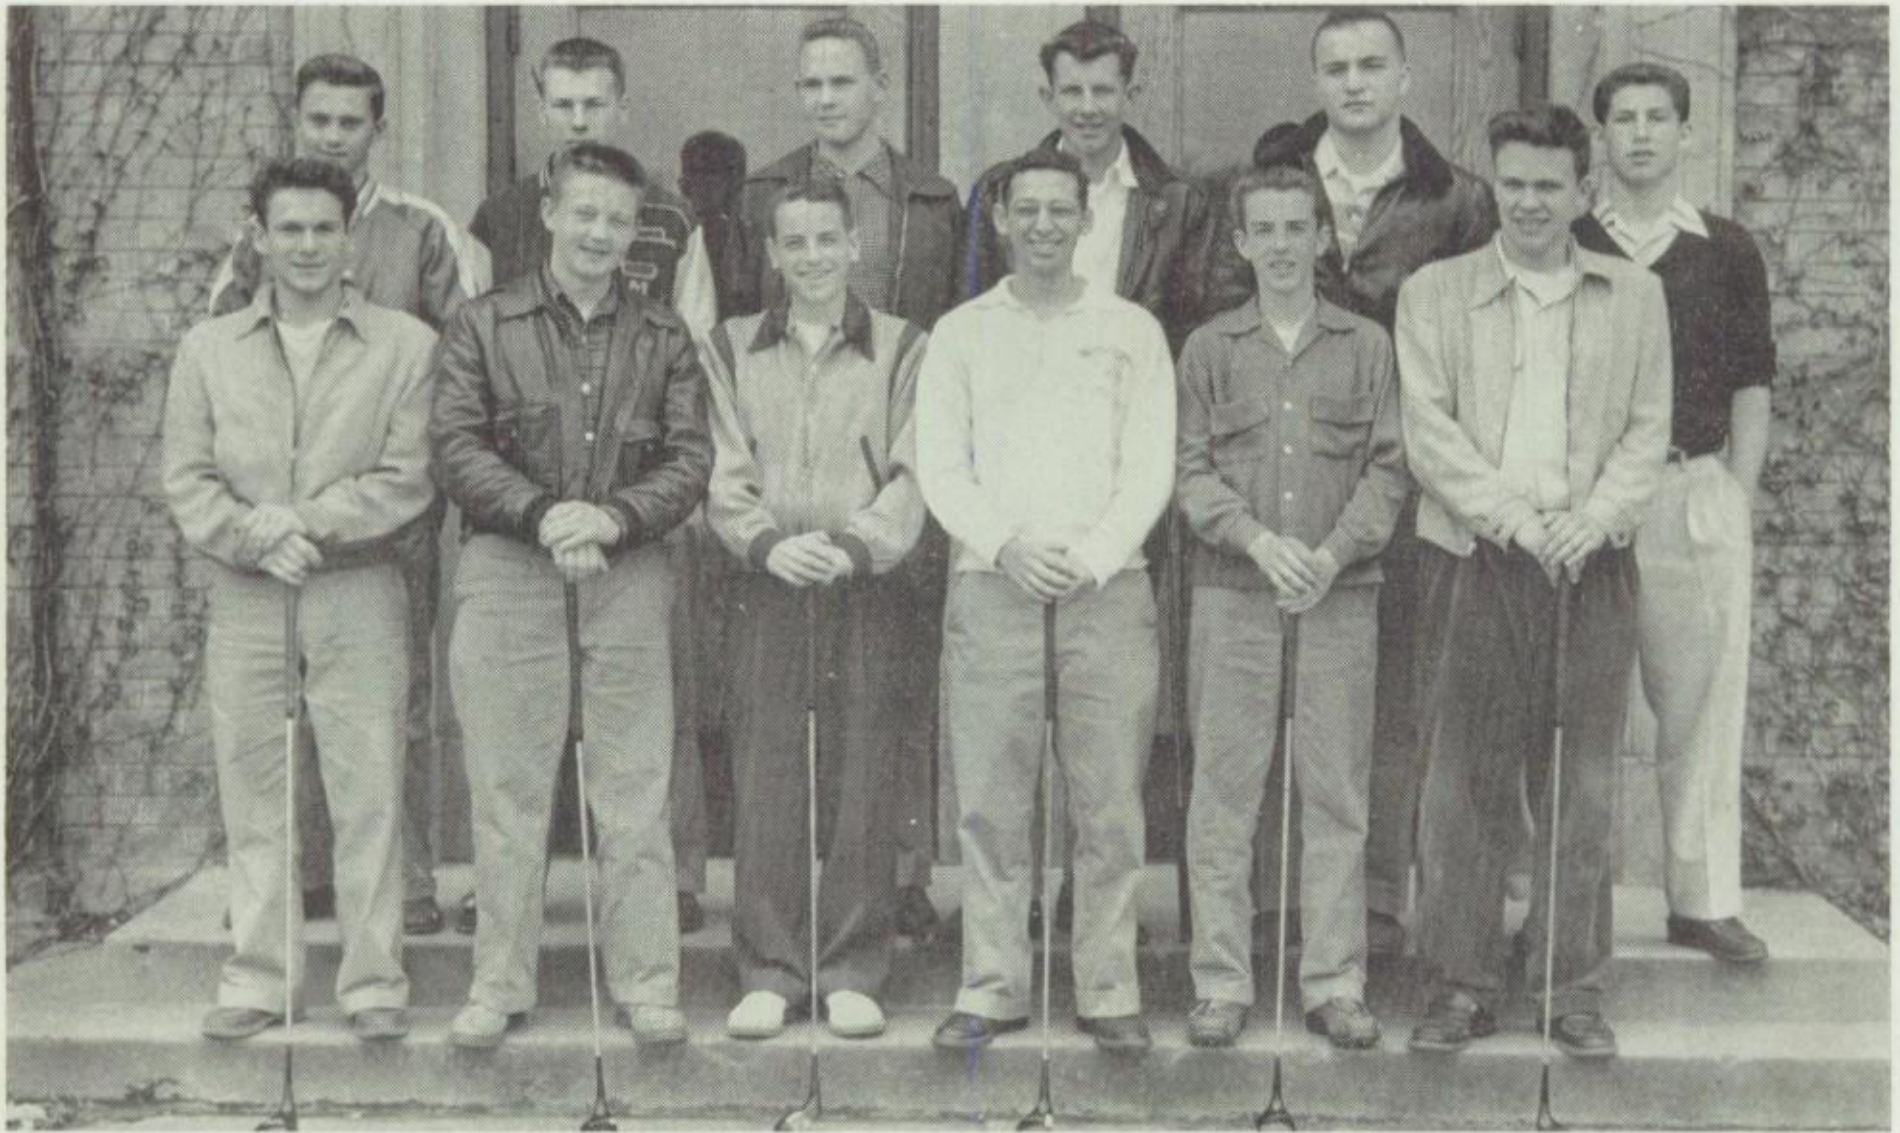

Back Row: Bruce Larkin, Jack Walters, Darell Gage, Rex Robinson. Front Row: Howard Kaye, Warren Litynski, Bert Berkwich.

Front Row: Howard Kaye, Warren Litynski, Bert Berkwich.

TENNIS

The 1954 tennis squad, coached by Carl Seifert, and paced by veteran lettermen, Bruce Larkin, number one singles; Warren Litynski, number two singles; Darell Gage and Jack Walters, singles and doubles players; and Rex Robinson, a double player, were strong contenders for Suburban Conference laurels. Rounded out by a group of fine underclass prospects, Billy Kern and Dick Kaimann, sophomores; and Burt Berkwich, freshman; the team got off to a fast start by winning its first three conference matches by shutouts, and holding a strong Janesville team to a 6-6 tie. The toughest competition in the Suburban Conference came from Whitefish Bay and Wawautosa which always prove to be the deciding meets in the conference race. In addition to their conference foes, the netters faced top state teams from Manitowoc, Neenah, and West Bend, and tackled Country Day, MUS, and several city conference teams. The last two weekends the Crimson competed in the WIAA State meet.

Back Row: Richard Ramstack, Jim Horst, Tom McCraw, Marv Elliott, Joe Herzberg, Lynn Adleman. Front Row: Tom Lenken, George Weinhagen, Jerry Perlstein, Jerry Dorf, Maury Howard, Charles Cook.

GOLF

Many hours of practice must go into this sport before one emerges a good golfer. Drives without hooks and slices, wood shots from the fairway, ironshots, and accurate putting are the fundamentals that must be mastered to enable an athlete to make low scores on the various courses. One senior and a flock of underclassmen shot good scores this year to paint a bright picture for the future. Junior Marv Elliott, only returnee, sophomore Tom McCraw, and freshman Lynn Adleman led the squad in its first six matches. In addition senior Jerry Dorf, juniors Jim Horst and Jerry Perlstein, and freshman Dick Ramstack shot very well. Coach Ole Gunderson's Greyhound teemen met such strong teams as Wauwatosa, Racine Park, Racine Horlick, Marquette High, Whitefish Bay, and Hartford besides competing in the annual Suburban and State meets.

With only two seniors graduating from this year's team, the prospects for the future continue bright.

Back Row: Tom Messenbrink, Wayne Heidel, Jim Whitcomb, Gene Manning. Third Row: Tom Smeltzer, Harley Wahl, Don Zach, Ted Rebholz. Second Row: Russ Mueller, Dave Dunn, Don Nelligan, Dennis Schober, Ron Meyers. Front Row: Jim Reinke, Bill Spitz, Dave Lenske, Glenn Albrecht.

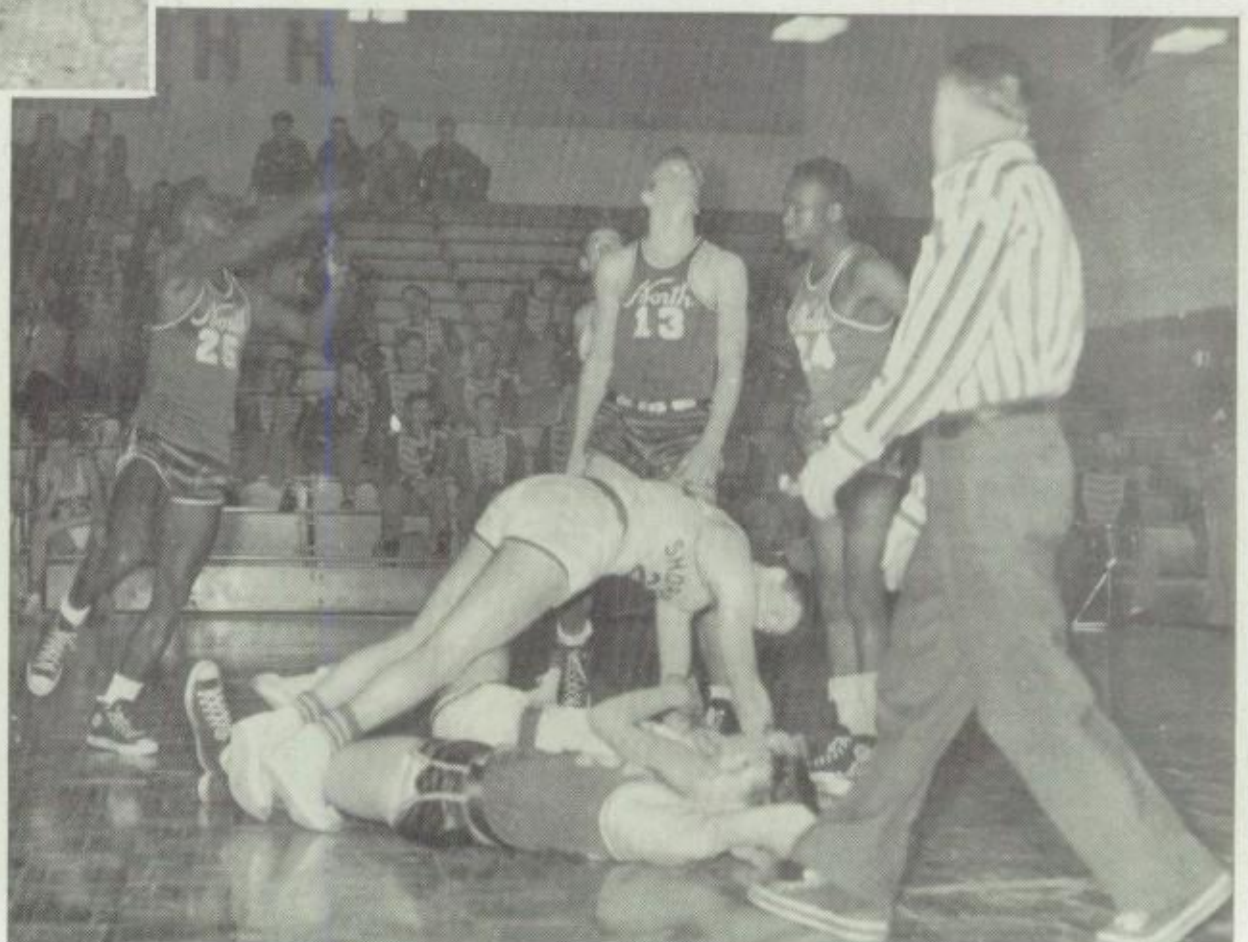

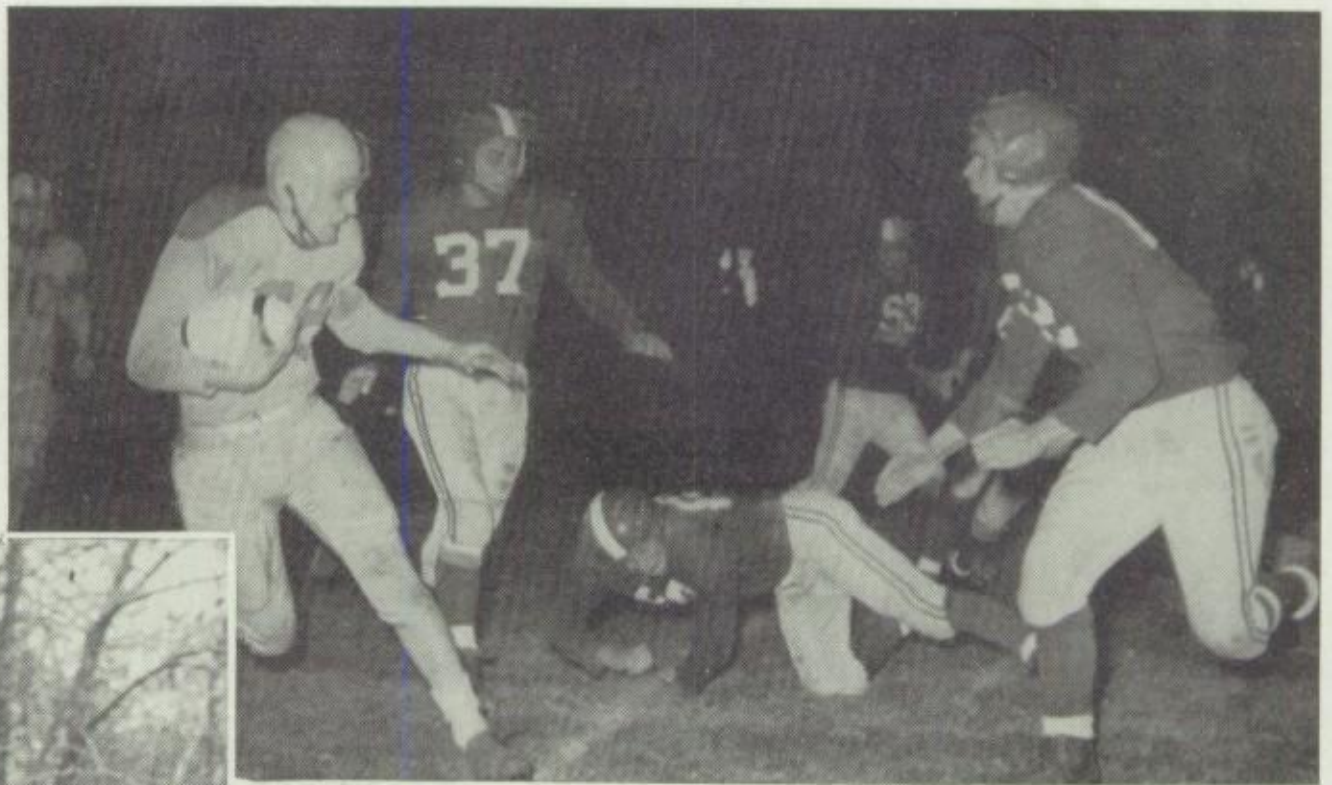

BASEBALL

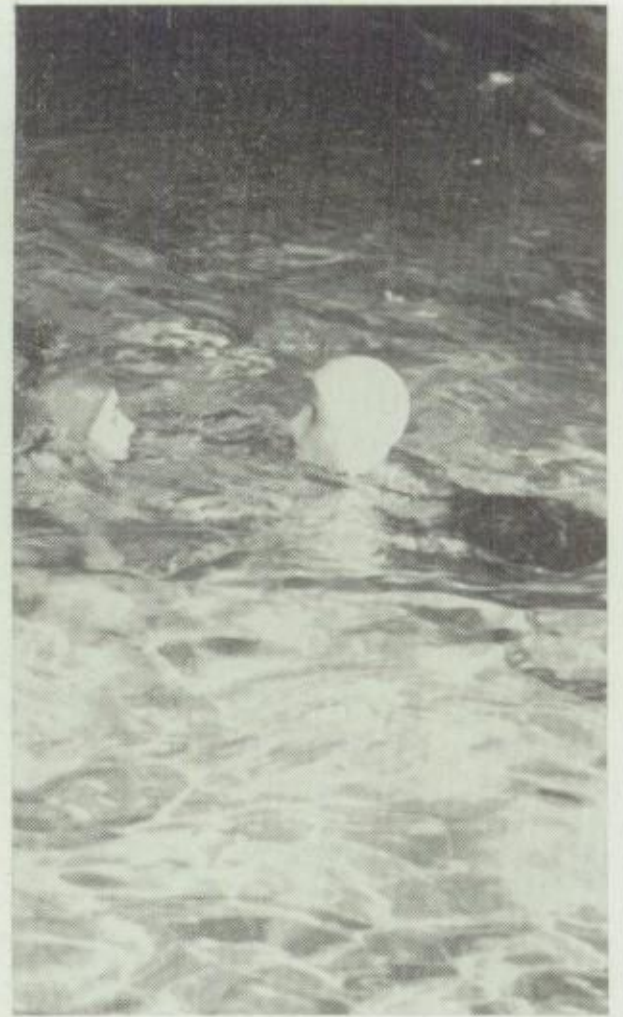

With seven returning lettermen and several promising newcomers Coach Chester Rinka fielded a baseball team that was destined to have a fairly successful season. Playing such formidable opponents as Custer, Washington, South, Messmer, West Bend, Racine Park, Racine Horlick, and Port Washington, the Greyhounds played a full schedule during the regular season after which they played in the Wisconsin State Baseball Tournament.

Russ Mueller, Ted Rebholz, Dennis Schober, and Tom Smeltzer headed the outfielders; and the infield positions were played by Wayne Heidel, Gene Manning, Ronny Meyers, Jim Reinke, Harley Wahl, and Don Zach. Dave Lenske and Jim Whitcomb shared the bulk of the catching duties, and Dave Dunn assisted as the third capable receiver. Leading moundsmen were righthanders Glenn Albrecht, Ray McKeighan, and Don Nelligan. Only seven players will graduate, and judging by the underclassmen who will return, baseball prospects look bright for Shorewood in years to come.

HALL MONITORS

Members of the sophomore, junior and senior classes volunteer for positions on the Hall Monitor staff. Mr. Stolz is the adviser and Dick Retzlaff headed the group as the 1953-1954 president.

YOUTH CENTER

The Youth Center is always a lively place whenever students have free time, for while they are present activity never ceases. In the morning while some study, others listen to the ever popular juke box. The noon hour is a busy time for the soda fountain which is managed by the Youth Council under direction of Mr. Butler. After school students bowl or play ping-pong, making use of the wonderful facilities the Youth Center offers.

Sparkling stars hanging from overhead and fragrant garden scenes added to the dreamy mood as prom goers ascended stairs in the grand march which helped create an illusion of climbing to the stars. Ronny Doby's orchestra provided the musical background, and refreshments were served from gaily decorated carts. Always the biggest dance of the year, it was truly the very best.

SENIOR PLAY

The 1953 senior class play "Mr. Barry's Etchings" was presented May 22 and 23. This humorous satire on counterfeiting and philanthropy was ably given and well received.

HOMECOMING

Highlight of the festive homecoming weekend was the Greyhounds' 13-7 upset victory of Waukesha. As in the past, the weekend activities started with the afternoon assembly and pre-game parade. Social Chairmen won the traveling trophy, which was presented to the school organization with the best decorated car. Climax of the weekend was the Glod-Hopper, the homecoming dance, which was attended by alumni, faculty, and students.

PEP CLUB

The newly organized Pep Club was a great success this year. It undertook the task of replacing the former club which had failed because of lack of cooperation among the juniors and seniors. With Nancy Harting as president and Mr. Gibbs as adviser, the freshmen and sophomores helped the cheerleaders and student body

by being an organized cheering section. They purchased red and grey jerseys which were worn on the days of major athletic events as well as at the games. A dance for its members, with the "B" basketball team as guests, was the one social event sponsored by the Pep Club.

CLASSES

The character of a school is not determined by its buildings and classrooms, but by its students. Shorewood is the great place it is because all remember that it is important to be able to get along with others. Another thing, Shorewood is just big enough so that it is always possible to make another friend.

GLENN ALBRECHT

JUNIOR HIGH

Let's not forget the junior high, for these boys and girls are the future leaders of S. H. S. During these formative years they develop an understanding of high school life and a more mature attitude towards their fellow classmates.

The plan that was begun last year in the seventh grade has worked very efficiently in helping the new Shorewoodites adjust to high school. Their entire afternoon is spent with one teacher with whom their course of study includes social studies and English with a portion of the year dedicated to general orientation. In the morning classes are science, mechanical drawing, cooking, sewing, mathematics, and music. The boys as well as the girls learn the fundamentals of cooking and the girls often find they have hidden talents in art metal work.

JUNIOR HIGH

After one year at Shorewood, in which these young teenagers become accustomed to the high school routine, their schedule becomes much like that of the senior high. They have a new homeroom teacher as well as a different teacher every hour. They do, however, remain in the same group throughout the day. Ten weeks of the social studies period is spent in Orientation, discovering how certain subjects help to point the way to careers and investigating the opportunities of different occupations.

The aim of the Junior High Dramatic club is to foster self-expression and general dramatic experience among the junior high students. They achieve this goal by working on various crews and presenting plays to each other.

All future Benny Goodman's and Gene Krupa's are to be found (of course) in the Junior Band. Learning to play together is the primary purpose of these novice musicians.

JUNIOR HIGH

The Girls' Glee Club is under the direction of Miss House, the boys are directed by Mr. Sellaw. Each year the boys put on a show as their main activity, while the girls appear at Sunday afternoon lectures and carol in the halls before the Christmas holidays.

The junior high orchestra gives the seventh and eighth graders an opportunity to prepare for membership in the senior high orchestra. They meet as a group three times a week and small groups receive instructions once a week during their gym periods.
